#### APPOINTMENTS AT THE TORONTO GENERAL HOSPITAL.

In connection with the reorganization of the staff of the Toronto General Hospital, the Board of Trustees met at the City Hall and adopted the report of the committee in charge of making the selection of the heads of the surgical and medical services. The report reads as follows :

Your committee recommends that the senior professor in Medicine and the senior professor in Surgery in the University of Toronto shall be ex-officio members of the active staff of the Hospital. In the event of these professors being heads of services in the respective departments of Medicine and Surgery in the Hospital, they shall be subject to such regulations as apply to the heads of services, but at the termination of their terms of service as such heads they shall continue as ex-officio members of the active staff.

With regard to the headship of the services in the several departments, your committee makes the following recommendations :

- (1) That Drs. A. McPhedran, W. P. Caven and G. Chambers be appointed as heads of the services in Medicine.
- (2) That Mr. I. H. Cameron, professor of surgery in the University of Toronto, be appointed, ex-officio, a member of the active staff of the Hospital, and that Drs. G. Bingham, A. Primrose and H. A. Bruce be appointed as heads of the services in Surgery.
- (3) That Dr. J. F. W. Ross be appointed head of the service in Gynæcology.
- (4) That Dr. Kenneth McIlwraith be appointed as head of the service in Obstetrics.
- (5) That Dr. George McDonagh be appointed head of the service in the Ear, Nose and Throat department.
- (6) That Dr. R. A. Reeve be appointed head of the service in the Eye department. With regard to this recommendation, your committee considered it in the interests of the Hospital to infringe on the rule as to the age limit adopted by the Board, by reason of Dr. Reeve's special qualifications for the position. It is recommended, however, on account of such rule, that the appointment, if made, shall come up for special consideration annually.
