CARDIFF, NEWFOUNDLAND, Jan. 3, 1871.

MR. JAMES I. FELLOWES,
Dr. B.M.: I came to this country in May, 1869. I
found an acquaintance of mind laboring under some
affection of the lungs. I recommended your Syrup,
taken at the Dose of a Drachm in Harbour Grace, but they
thought it was incompatible with their system. I
therefore wrote them a letter to Mr. Elgar Joyce, rapidly
wasted away with every symptom of quick con-
sumption, so that he was unable to walk across the
room, having no appetite, pains in the left side,
nervous system unstrung, dry, hacking cough, &c.
Fortunately I learned that your Syrup could be ob-
tained at Mr. D. D. Miller's, in St. John's, and imme-
diately procured some and gave it to Mr. H. Thompson,
who ordered a supply from you at once. This was Tuesday afternoon; at night he
took the prescribed dose, and in the morning he
described the very results notified on the wrapper.
His appetite soon began to return, and a voracious
one it was, too; the dry, hacking cough changed
in its locality, but still remained, appearing
alternately on one side, till his hand lost
its usual steadiness, and before he finished ten bottles
his health was quite restored, and to-day not a
more healthy person is to be found on our streets,
and it is the opinion of all, had he not been fortu-
nate in getting your valuable Syrup of Hypophosphite,
he would now be in his grave.

He may be seen in the public rooms on the day
you receive this, and took up one-fourth of
bottles to the Labrador, which he was very anxious
to do, but had no occasion to use them himself.

No other medicine will ever prescribe recom-
mend, or give, but yours.
