FEED YOURSELF SCIENTIFICALLY.

Some Sure Results From Proper Food Selection.

Farmers select certain food to bring about desired results in their animals, but it is not so easy a matter with the complex machine called man (or more highly organized woman).

The food specialist, however, has been at work, and in Grape-Nuts we find a food containing delicate natural particles of Phosphate of Potash and larger quantities of albumen.

These unite in the human body forming the peculiar soft substance which fills the cells of the brain. Therefore, when one desires to use a food directly intended for brain-building the food Grape-Nuts may be depended upon.

Fortunately it is one of the most delicious bits of food used by mankind, the delicate sweet of Grape-Sugar being of the most charming character. All prominent grocers sell Grape-Nuts, made at the pure food factories of the Postum Cereal Co., Ltd., at Battle Creek, Mich.
