

Rome! We had always supposed that one of the most objectionable features in the Romish system was the obstinate resistance made by the Romish clergy in all attempts at increasing the familiarity of the common people with the language of Scripture; and we certainly should never have dreamed of looking to Rome for the origin of a movement which, if it be successful, can only result in making the text of the holy records more comprehensible by all classes of living Englishmen.—V. MLANE'S VERMIFUGE IN TEXAS. Hear what the Proprietor of the "Star Hotel" has to say of the wonderful effects of MLane's Vermifuge. "STAR HOTEL," CENTREVILLE, TEXAS, AUG. 22d, 1854. Messrs. FLEMING BROS.

I feel it my duty to make the following statement; Several of my children have been unwell for the last week or two. I called at the "Star Hotel" to get some Oil of Wormseed and other truck, to give them for worms. The Druggist recommended MLane's Vermifuge, prepared by you, but having heretofore tried every Vermifuge, in my knowing, without advantage, I told him it was not worth while, as my children appeared proof against them all. He said to take a bottle, and offered if it done no good to refund the money. To satisfy him I done so, and the effect was so much better than expected that I got another bottle, and the result was most astonishing. Three of my children discharged a great number of the largest worms I ever saw. To a young man, my Mail Carrier, who was weak, puny and poor as a snake, for a month or so, I gave two doses, which brought from him at least a pint of what is called stomach worms! Strange as this may appear, yet it is as true as preaching. How the boy stood it, so long as he did, with ten thousand "Bors" gnawing at his stomach, is the greatest wonder to me. All these cases are now doing well. No doubt the lives of thousands of children have been saved by the timely use of this extraordinary medicine. Don't fail to give it a trial.

Purchasers will be careful to ask for DR. MLANE'S CELEBRATED VERMIFUGE, manufactured by FLEMING BROS. OF PITTSBURGH, PA. All other Vermifuges in comparison are worthless. DR. MLANE'S genuine Vermifuge, also his celebrated Liver Pills, can now be had at all respectable drug stores. None genuine without the signature of FLEMING BROS.

Will be ready on the first of March, (NEW AND REVISED EDITION.)

THE LIFE OF ST. ELIZABETH OF HUNGARY, by the Count de Montalembert. The Life, translated by Mary Hackett, and the Introduction, by Mrs. Sadlier. 12 mo., of 427 pages, with a fine steel engraving. Cloth, 5s; gilt, 7s 6d.

The first edition of Three Thousand having all been sold, and there being many calls for the work, we have put to press a New Edition. The translation has been read over with the French copy and carefully corrected. Of the merits of the work, we can safely say, that no biography ever issued from the American Press equals it—as interesting as a romance. The Press have been unanimous in praise of the first edition. We give extracts from a few of them: "The book is one of the most interesting, instructive, and edifying that have been produced in our times, and every Catholic will read it with devout thankfulness to the Almighty God, that he has been pleased to raise up, in this faithless age, a layman who can write so edifying a work. It is marked by rare learning, fine artistic skill, and correct taste; and breathes the firmest faith and the most tender piety. His work is as refreshing as springs of water in a sandy desert. Let every one who can read purchase and read this beautiful Life of one of the most lovely and most favored Saints that have ever been vouchsafed to hallow our earthly pilgrimage."

The whole introduction shows the hand of a master, and it loses nothing in Mrs. Sadlier's racy and elegant English. It enhances the merit of the work, which, in the Dublin edition, was published without this essential preface. Of the Life itself, we cannot speak too highly. The exquisite character of the dear St. Elizabeth, (as the good Germans have at all times styled her), is brought out with a clearness, a tenderness, and a vigor, which bring tears from the heart. We do not think there is any book of the kind in English, at all to be compared to this 'Life of Saint Elizabeth.'—American Celt. "We might say much in praise of the narrative and Life of St. Elizabeth, attending which, from the beginning to the end, is a charm which cannot fail to attract and secure the attention of the reader, did not the well known abilities of this distinguished author render it unnecessary. We cheerfully recommend the work to our readers."—Pittsburg Catholic.

"This magnificent work of the great French Tribune of true liberty, has at last been translated into English. The name of its Author is a sufficient guarantee for the value of the work. Montalembert is one of the lights of the age—a man who combines rare power of intellect, with an unwavering devotion to the cause of liberty and the Church. Let every one who desires to study the spirit of the Middle Ages, read this book."—Catholic Telegraph.

Invalids, Fathers, Mothers, Physicians, Philanthropists, read their Effects, and Judge the Virtues. FOR THE CURE OF Headache, Sick Headache, Full Stomach, Indigestion, Relax, and Worms. Bileus Disorders and Liver Complaints. Dysentery, Relax, and Worms. Erysipelas, Scrofula, King's Evil, Tetter, Tumors, and Salt Rheum. Rheumatism, Numbness, and Gout. For Dropsy, Plethora, or kindred Complaints, requiring an active purge, they are an excellent remedy. For Costiveness or Constipation, and as a Diarrhoeic Pill, they are equally useful.

AYER'S CHERRY PECTORAL FOR THE RAPID CURE OF COUGHS, COLDS, HOARSENESS, INFLUENZA, BRONCHITIS, WHOOPING COUGH, CROUP, ASTHMA, INCipient CONSUMPTION, and for the relief of consumptive patients in advanced stages of the disease. We need not speak to the public of its virtues. Throughout every town, and almost every hamlet of the American States, its wonderful cures of pulmonary complaints have made it already known. Say now to the families in any civilized country on this continent without some personal experience of its effects; and fewer yet the communities any where which have not among them some living trophy of its victory over the subtle and dangerous disease of the throat and lungs. While it is the most powerful antidote yet known to man for the formidable and dangerous disease of the pulmonary organs, it is also the pleasantest and safest remedy that can be employed in infants and young persons. Parents should be careful to keep against the insidious enemy that steals upon them unperceived. We have abundant grounds to believe the CHERRY PECTORAL saves more lives by the consumptions it prevents than those it cures. Keep it by you, and cure some one while they are young, nor neglect them until no human skill can master the inexorable canker that, fastened on the vital, snuffs your life away. All know the dreadful fatality of lung disorders, and as they know the virtues of this remedy, we need not do more than assure them it will be the best in the end. We repeat, no cost, no care, no toil to produce the most perfect cure, and thus afford those who rely on it the best agent which can be had for their cure. PREPARED BY DR. J. C. AYER, Practical and Analytical Chemist, Lowell, Mass. AND SOLD BY All the Druggists in Montreal and everywhere.
