Mercantile Summary.

MR. ALEX. HASSARD, of Tamworth, surprised
his friends by unexpectedly taking his departure
leaving his milling and grocery business. His
liabilities do not exceed a few hundred dollars
and it is not supposed that he had been pressed
for payment.

MR. W. P. NEWMAN, who for many years car-
ried on a private banking business in Elora, died
a few days ago. His business had been con-
ducted in a very honorable manner and he will
be missed by many friends in that locality.

A BUCKHORN wood dealer, named L. Crawford,
who was supposed to be worth some thousands
of dollars, of late got into bad habits, and a short
time ago, after selling his farm took his
departure across the lake leaving a good many
creditors behind.

S WALKINSHAW, a fancy goods dealer in St.
Catharines, has been sold out by the bailiff at the
instance of Messrs. Goulding & Co., of this city.
His stock amounting to some seven hundred
dollars was bought by his wife at 40 per cent. of
its cost.

AT THE meeting of the board of directors of
the Hamilton and Northwestern Railway, held
in Hamilton, at the close of the annual share-
holders' meeting, Tuesday, the following gentle-
men were elected officers:—John Stuart, presi-
dent; John Proctor, vice-president; and Messrs.
John Stuart, John Proctor, Edward Gurney
and William Hendrie were appointed members
of the joint committee, Ald. Sir Thomas
Dakin and Messrs. Aaron Bischoff and James
W. Barclay, M.P., were appointed members of
the London executive committee.

R. P. McALLAN a dry goods dealer in Orange-
ville, appears to have laid his plans when he
commenced business about a year ago, for
making some money out of either the goods he
bought or those who sold them to him. When the
truth is known it will be found that he succeeded
to some extent in the latter alternative. At first
he bought for cash, then on thirty days, and
latterly took all the credit he could get; but
before his paper became due this month, his
whereabouts were not known. During the win-
ter he opened a branch store in Arthur, managed
by one Ascher, late of Hamilton. The latter. it
appears claims the stock in his possession, it has
been attached, however, as well as the Orange-
ville stock.
