Anglo-Saxon Superiority : To What It Is Due.

By EDMOND DEMOLINS.

Translated from the French 10th Edition by Louis Bret Lavigne.

Cloth, 12mo, \$1.25 ; Paper, 12mo, 75c. : : Trade Price, Paper, 55c ; Cloth, 75c.

M. Demolins became famous one week after publication of his book. Within two months it had attained its fifth edition, and the strange thing is that, while it contained at once an accusation and a confession which must have deeply wounded French sensibilities, the arrangement, painful as it was, seems to have provoked no anger.

Just at this time, when the Anglo-Saxon is forging to the front as he never did before, the book makes good reading for Canadians. For ourselves, who have long held that the future of the world lies with the Saxon, we are grateful to M. Demolins for a new assurance that the best future of the Saxon and of every other race will be assured by the continued superiority of the Anglo-Saxon.

Captain Satan ; or, The Adventure of Cyrano de Bergerac.

Translated from the French of Louis Gallat by Hattie E. Miller.
(This is not the play, but the story of Cyrano.)

Illustrated paper edition, 75c.; cloth, \$1.25. Trade price—
Paper, 55c.; cloth, 85c.

An Enemy to the King.
