

The Superiority . .

of our work has been recognized
by all who appreciate

Job Printing

properly done. When the work is done
by men who know their business and
understand how to get the best effects.

It Costs no more

for you to have good work than the
poor work you have, perhaps, been
buying.

This Magazine

is printed by us. We can show many
other jobs—The City Report for 1898,
the Board of Trade Report, and other
books and booklets.

All Classes of Work

that will stand criticism. And, as we
said before, it costs no more to have
good work done.
