

APPENDIX D

AIDE-MEMOIRE ON THE FUNCTIONS OF THE ALLIED COMMISSION COMMUNICATED TO THE ITALIAN GOVERNMENT BY THE ACTING PRESIDENT OF THE COMMISSION.

In accordance with the declaration of the President of the United States of America and the Prime Minister of the United Kingdom of Great Britain,* the Allied Governments propose to relax the control of the Italian Government under the armistice in the matter of day-to-day administration and only to exercise such control when Allied military interests require.

2. The Political Section of the Allied Commission is being abolished as of the 1st March, 1945. The Italian Ministry for Foreign Affairs will deal with the Chief Commissioner on matters of major policy, and on matters of minor policy and routine business it will address itself to whatever section (economic or civil affairs) of the commission may be appropriate to the subject involved. Matters involving the travel of diplomatic and other public officials will hereafter be dealt with on behalf of the commission by the Office of the Executive Commissioner.

3. The Italian Government will continue, as at present, to have direct relations with foreign diplomatic representatives accredited, to the Quirinal. The Allied Commission should be kept generally informed by the Italian Government of any negotiations in which they engage with other Governments. Facilities for the use of secret bags will be granted to the Italian Government for use in correspondence with their diplomatic representatives abroad. Undeposited cypher facilities cannot be allowed for the present.

In so far as these negotiations have to do with economic and financial matters, the Economic Section and its Finance Sub-Commission should be kept informed of their progress.

It would be convenient if the Italian Government would furnish a periodic summary of all negotiations completed or pending with other Governments.

4. The Allied Commission will limit its dealings with respect to territory under the jurisdiction of the Italian Government to consultation with and advice to the Ministers of the Italian Government.

5. The advisory functions of the Sub-Commissions of Education, Monuments and Fine Arts, Local Government, Legal and Labour in territory under the jurisdiction of the Italian Government will be performed only when requested by the Italian Government.

6. It will no longer be necessary for the Italian Government to obtain the approval of the Allied Commission for decrees and other legislation enacted by the Italian Government in the territory under the jurisdiction of the Italian Government.

Nevertheless the Allied Commission should be informed of proposed decrees some time before their enactment, in order to enable the Chief Commissioner to consult with the Italian Government as to their application to territory under the jurisdiction of Allied Military Government (A.M.G.), and to lay plans for their effective implementation in such territory when appropriate.

* This declaration, the text of which was released in London on the 27th September, 1944, after the meeting between Mr. Roosevelt and Mr. Churchill in the United States, provided, *inter alia*, that the Allied Control Commission would be renamed "The Allied Commission."
