

Held every year (alternates between Paris/Lyon).

There are also two other environmental trade shows in which the Canadian Embassy does not take part, but which are attended to identify any new opportunities that might exist.

Exporec, Paris

Salon international du Recyclage [international recycling trade show]

Held every two years.

Europre, Paris

Salon des Professionnels de la Propreté [sanitation professionals trade show]

Held every two years.

In Canada, the Americana and Globe shows are excellent gathering places for representatives of the Canadian and French environmental industries and offer a unique gateway to the North American market. Buyers' or decision-makers' missions could be sent to these exhibitions.

Americana, Montreal

The Pan-American Environmental Technology Trade Show

Held every two years.

Globe, Vancouver

Held every two years.
