Mrs. Norman Holland,
193 The Boulevard,
Westmount, Que.

My dear Mrs. Holland:-

I am this morning in receipt of your letter of December 17th informing me of the terms of the resolution passed at a recent meeting of the Montreal Municipal Chapter of The Imperial Order Daughters of the Empire, with reference to the War Memorial Hall which we hoped it would be possible to erect at the corner of MacTavish and Sherbrooke Streets.

I am glad to note that the Daughters of the Empire have not entirely abandoned the idea. Let me give them the assurance that when they consider the time opportune we shall be very glad to co-operate with them.

With all kind wishes for the success of the Order, I am,

Yours faithfully,

Principal.
