British Force Conducts Successful Mining Operations Near Ypres.

Special Cable to The Toronto World. LONDON, July 25 .- A brilliant success was won by two French battalions at Ban-de-Sapt, in the Vosges, last night, some very powerful German defensive organizations between the heights of La Fontenelles on the side of hill 627 and the Village of Launois being captured from four German battalions and a machine gur company and the survivors, eleven unwounded officers and 825 unwounded men, being taken prisoners. The French also occupied the group of houses which form the southern part of Launois Village. The victors found a number of German bodies in the trenches. The new positions were organized for defence by the French troops on Sunday, under a heavy bompardment of the enem

British Operations. Sir John French, British field marshal, reports that British troops gain ed some ground by occupying the crater of a German mine and linking it to their own trenches. They also repulsed two bomb attacks on the trenches which they recently occupied west of Hooge as the result of ex-ploding a mine. British heavy artillery silenced a German trench mortar which was supporting an attack in this region. A British mine was also used to blow up a German salient southeast of Zillebeke and destroyed some trenches. Shortly afterwards the Germans in retaliation exploded mine further east, but it did little

Bombardment at Souchez. The French war office in its re ports for the past 36 hours mentions a heavy artillery bombardment in Artois, particularly in the neighborhood of Souchez, between the Aisne and Oise Rivers, in the Quennevieres plateau and in the forest of Le Pretre, where a fusillade of rifle fire accompanied the cannonading.

Mining operations are being conducted with advantage by the French on the north bank of the Aisne, the Troyon region and the Champagne. Intermittent cannonading is reported from the southern Woevre district. A German aeroplane was brought down near Bethancourt and the two

NEW YORK, July 25 .- Samuel H. Edwards, general superintendent, and 32 guards of the Tidewater Oil Company's plant in Bayonne, N.J., were arrested today charged with inciting to riot by Sheriff Kinkead and his deputies. The arrests occurred after guards had fired several shots at homes near the plant. The first arrests occurred following reports of shooting from inside the Tidewater plant, which adjoins that of the Standard Oil Company of New Jersey, where the strike of oil workers, marked by serious rioting less mobile in the strike of oil workers, marked by serious rioting less mobile in the strike of oil workers, marked by serious rioting less mobile in the strike of oil workers, marked by serious rioting less mobile in the strike of oil workers, marked by serious rioting less mobile in the strike of oil workers, marked by serious rioting less mobile in the strike of oil workers. serious rioting last week is in pro-Sheriff Kinkead said he was passing the Tidewater works with two deputies when three guards armed with rifles apwhen three guards armed with rifles appeared on the top of the wall surrounding the plant. GERMAN BOMB ATTACKS REPULSED NEAR HOOGE

British Forces Also Successfully Blew up Salient of Enemy West of Zillebeke by Mine, Destroying Trenches-Crater of Mine Occupied.

LONDON, July 25 .- (11.00 p.m.) -An official report from Field Marshal Sir John French was issued tonight by the press bureau, reading as "On July 21 we repulsed a bomb attack on the crater caused by the

explosion of our mine west of Hooge, which was reported in my communication of July 20. Our heavy artillery succeeded in silencing a heavy trench mortar which was assisting in the attack. "On the evening of the 23rd we successfully exploded a mine under a salient in the German line southeast of Zillebeke, and destroyed the enemy's trenches there. Shortly afterwards the enemy exploded a mine a little further to the south, which, however, did little damage.

"Since then we have made some ground by occupying the crater of a German mine and linking it to our trenches. Yesterday we repulsed another heavy bomb attack on our trenches around the crater near Hooge."

Nearly Two Hundred Bodies Believed to Be Still in the Chicago River-Relief Measures on Large Scale Projected - Few Bodies Now Remain Unidenti-

CHICAGO, July 25 .- The death ship Eastland tonight had given up 820 bodies. The estimated total number who went down to death in the Chithe steel steamer bearing 2408 excursignists rolled over at her dock, remained at approximately 1000. Of the total of 2408 persons on board at the time of the catastrophe, 1072, including the crew of 72, have reported themselves as safe. Of the 588 thus remaining unaccounted for, it is believed 400 are alive, and that 188 bodies still are in the river.

About three-score bodies were recovered today. By noon divers had concluded that all bodies had been re-
