ALLIES IN STATE OF WAR WITH BULGARIA AFTER UNSATISFACTORY REPLY TO RUSSIA

Balkan Peninsula Becomes Chief War Zone--French Troops Pressing on to Serbian Frontier--Former Premier Zaimis to Head Greek Coalition Ministry--French Take a Thousand Prisoners, Capture Town and Hill of Tahure in Champagne--Russians Make Gains South of Dvinsk.

ALLIES' ADVANCE TOWARD SERBIA IS NOT DELAYED

Cabinet Crisis at Athens Has No Effect on Troops' Movement.

LANDING NOT OPPOSED
King and Venizelos Believed to Differ on Fixed Policy.

PARIS, Oct. 6.—The landing of French troops at Saloniki and their prompt despatch northward across Greek territory to the Serbian frontier, will proceed without regard to the cabinet crisis at Athens. The downfall of the Venizelos cabinet is considered here as relating to formalities rather than to determined opposition to the landing of French troops. Statements evidently based on official information relate that King Constantine received the French minister at Athens after the landing of French troops had begun, and made no mention of the incident, or suggestion of a protest. It is, therefore, held here that the king has not taken a stand against the landing, but merely differs with Venizelos in regard to the fixed policy of Greece in supporting the quadruple entente.

The Great Move in the War

The landing of the forces of the allies at the Greek port of Saloniki looks to us like the big event so far of the war; and evidently it is only a beginning. It would seem further that the real theatre of the war is to be in the Balkan States, or, more likely, in Turkey; and will turn on driving the Turks out of Europe, breaking thru the Dardanelles and opening up the Black Sea to Russia.

Unconfirmed Reports Give Various Estimates of Numbers Sent.

RUSSIANS STRONGER
Already Gain Initiative in Some Sectors and Hold Up Von Hindenburg.

LONDON, Oct. 6.—Reports, which remain unconfirmed, are to the effect that pro-German forces, variously estimated at from 100,000 to 500,000 men, with 3000 guns, are proceeding thru southern Hungary to attack Serbia. Military observers here, however, assert that it is probable that a figure between these estimates would be nearer the truth, declaring that there is no evidence of any very heavy withdrawals of German troops from the Russian front, and that the western front every day is demanding new drafts.

Looks Better for Our Wheat Farmers

Wheat went up to a bushel in Winnipeg yesterday and this is good news for the Canadian farmer. Hon. Robert Rogers also announced yesterday that there will be lots of vessels to take the Canadian wheat over to the British market, although there is no information as yet that there will be any reduction in the ocean freight rates. But inasmuch as the Canadian Government is prepared to give the farmers substantial advances on account of wheat in the elevators; and inasmuch as wheat may continue to increase in price; and inasmuch as it is likely that later on more vessels will come forward, it might be a wise thing on the part of Canadian farmers not to be in a hurry to sell unless they wish to. If the price of wheat can improve under these circumstances, it means a great improvement in Canadian business generally; in fact, nothing will go so far to make good times as a rise in the price of wheat, a reduction in ocean freights and the ability of the farmer to hold his wheat until the right time to sell.

MINISTERS ASK FOR PASSPORTS ALLIES AT WAR WITH BULGARIA

BULGARIA'S REPLY IS UNSATISFACTORY

Russian Minister Notifies Premier of Bulgaria of a Rupture of Diplomatic Relations between the Two Countries.

LONDON, Oct. 7.—(12.20 a.m.)—A despatch to Reuter's Telegram Company from Sofia, sent by way of Petrograd, says: "Bulgaria's reply to the Russian ultimatum is unsatisfactory. The Russian minister has notified Premier Radoslavoff of a rupture of diplomatic relations between the two countries. "Russian interests in Bulgaria have been confided to the Dutch charge d'affaires. "Bulgaria's reply was delivered at 2.40 o'clock on the afternoon of Oct. 5 (Tuesday.)"

CRUCIAL FIELD OF WARFARE SHIFTS TO BALKAN PENINSULA

Allies Must Put Forth Enormous Military Efforts to Prevent the Austro-German Junction with the Turks and Bulgars—Bulgarian Ultimatum to Serbia.

LONDON, Oct. 6.—Even the greatest battles of the war may prove to have had less weight in deciding the future of Europe than the events of the past few days in the southeastern kingdoms. King Constantine of Greece, brother-in-law of the German emperor, appears to hold the balance of power of the near east in his hand for the hour, he having assumed personal control of the government. A despatch to Reuter's Telegram Co. from Athens, says: "The totally unexpected resignation of Premier Venizelos created a great sensation among both his partisans and his opponents. The loyalty of the people to the king saves the situation. Bulgaria, it is stated, has not only refused to break with the central powers and compel German officers who have taken charge of Bulgaria's army staff, but at the same time, according to several correspondents, has sent an ultimatum to Serbia, allowing a time limit of 24 hours for the cessation of Macedonian to Bulgaria. The program of the Germanic empires apparently includes the conclusion of their field operations with their Turkish allies by sweeping clear a channel from Berlin and Vienna to Constantinople. For the accomplishment of this program they have already secured the co-operation of Bulgaria. They need the neutrality of Greece and Romania, and then must crush Serbia. Shifts to Balkan Peninsula. Today's developments tend to confirm the statements of the German press that the German Emperor has guaranteed to Bulgaria both Greek and Roumanian neutrality. Thus the crucial field of warfare has shifted from the French and Russian fronts to the Balkan peninsula, where German success would mean the realization of Emperor William's ambitions for expansion toward India and Asia. Fully appreciate the momentousness of the crisis. The British newspapers impress upon the public that if the German Emperor, has secured the friendly neutrality of the King of Greece enormous military efforts will be needed to check the combined German and Austrian advance towards a

ALL WANT PASSPORTS.
SOFIA, Tuesday, Oct. 5.—(Via Paris, Oct. 6, 11.55 a.m.)—The Russian, French, British and Italian ministers have asked for their passports. Bulgaria's answer to the Russian ultimatum being unsatisfactory.

SOFIA, Wednesday, via Paris, Oct. 5.—The Serbian minister today asked for his passports.

LONDON, Oct. 7, 2 a.m.—The Times' Saloniki correspondent in a despatch, dated last Tuesday, says: "The landing of allied troops began this morning and still continues. It is reported that the Bulgarian authorities for strategic reasons have ordered the evacuation by the civil populations of all towns and villages on the coast of Thrace. "Three thousand German officers, it is stated, have arrived in Bulgaria. All received commands in the active army. "The project for the transfer of the Ottoman capital to Brusa has caused a dispute between the German staff and the Turkish crown prince, Yusoff Izzedin, who opposed the idea."

ZAIMIS WILL BE HEAD OF COALITION MINISTRY

King of Greece Calls on Former Premier to Head New Ministry—Venizelos Will Not Be Included.

ATHENS, Oct. 6.—(Via Paris, midnight)—King Constantine has asked Alexander Zaimis, a former premier, to form a cabinet. "King Constantine today conferred with former Premier Rhallis and Zaimis and requested their assistance. After a discussion of the situation, it was decided in principle to form a coalition government, without M. Venizelos, under the premiership of M. Zaimis. The constitution of the cabinet is expected to be completed tonight. "The British minister had a long audience with the king today."

TAHURE TOWN AND HILL TAKEN BY ASSAULT IN CHAMPAGNE

French Infantry and Artillery Score Notable Success, Advancing Mile, Capturing 1000 Germans—Progress Made in Environs of Navarin Farm to West

PARIS, Oct. 6.—French infantry whose advance was preceded by a violent artillery bombardment, captured Tahure and Tahure Hill, to the north of the town, today, thereby carrying a supporting point of the second German line. Tahure is on a metalled road running from Souain to Cernay and from it forks off another highway which connects with Sommel-By on the Grand Pre Railway. The hill, which was taken, is about a mile south of the railway line behind the second position of the Germans, and its height is given as 192 metres, or about 600 feet. This gain represents an advance of about a mile since last week. The French official statement follows: "Our action in Champagne obtained today new results. Our infantry troops, after strong artillery preparation, captured by assault the village of Tahure, and reached the summit of the small hill of the same name constituting a point of support in the second line of the enemy resistance. We likewise made progress in the environs of the Navarin farm. The number of prisoners taken exceeded 1000. "On the rest of the front only artillery engagements are reported. These were especially intense in Artois, in the region of the Givenchy wood, and Hill No. 119; in the Ar-

sonne, to the north from La Harazee to La Pretre wood; in Lavaine, near Leintrey, Reillon and Badonviller, as well as in the Vosges, on the Metzeral ridge. "The Belgian official communication reads as follows: "The enemy artillery has displayed only very slight activity before our front. It has bombarded the region of Furnas, Pervys and Oosterkerke. A struggle with bombs has occurred in the region to the north of Steenstraete, and to the north of Dixmude. Our artillery dispersed military pioneers at several points."

PETROGRAD, Oct. 6, via London.—Grand Duke Nicholas, who was appointed commander-in-chief of the Russian forces on the Caucasian front when Emperor Nicholas assumed supreme command of the armies of Russia, arrived today at Tiflis, Transcaucasia.

OTTAWA, Oct. 6.—A parliamentary excursion will be made over the Canadian Northern Railway System from Quebec to Vancouver. It will leave Quebec on Oct. 12, and will occupy about a fortnight. Every member of the commons and the senate has been invited to go, and already 100 have accepted the invitation. About 150 are expected to make the trip.

OTTAWA, Oct. 6.—The Earl of Aberdeen, former lord lieutenant of Ireland, who recently took the title of Marquis of Terrair, and Lady Aberdeen, were passengers aboard the S.S. New York, which arrived here tonight from Liverpool. They are en route to Toronto. "The Earl and Lady Aberdeen plan to visit many cities in the United States and Canada this fall. Besides attending the annual meeting of the N. A. A. C. in Washington, they will attend meetings in several cities in the United States in relation to social movements in Ireland."
