Price, \$1.25.

We have been fortunate to secure the Canadian market for this great book, and will have our Canadian Copyright Edition ready by the date above named. This is said to be Crockett's greatest book. Order now, and get one of the first copies.

THE history of the Ten Lost Tribes is a perennial source of interest to many people, and, indeed, is not without fascination to the average reader, whether he accepts the arguments used to identify the British nation with the lost tribes or not. One of the best works on this subject is Dr. Poole's

## Anglo-Israel

or, The Saxon Race Proved to be the Lost Tribes of Israel.

Cloth, 686 pages, \$1.50 post paid.

Rev. Dr. Withrow, in his introduction to the work, writes:

"Of the many books written upon this subject, we know of none which treats it more comprehensively, more ably, more eloquently than the present volume. We can certainly commend the vigor and vivacity of style, the wealth of illustration and the breadth of learning with which Dr. Poole maintains his thesis. No English-speaking reader can fail to have his patriotic pulses stirred with a grander pride than that of the great apostle of the Gentiles as he asserted his free-born Roman citizenship, for we are the subjects of an empire which dwarfs into insignificance that of Rome in its palmyest days."

WILLIAM BRIGGS,  
WESLEY BUILDINGS, TORONTO.
