Toronto Won and Lost.

Montreal, July 19.—Toronto and Montreal broke even to-day. Toronto won the first by more opportune hitting and steadier fielding. The second was the best game of the year, going to 14 innings and abounding in sensational plays, the most remarkable being a one-handed running catch by Bruce in the twelfth, which saved the game for the time being for Toronto. Montreal won out on Odwell's hit, Kelly's bunt, Dooley's sacrifice and Quinlan's bunt, which was fielded to the plate too late. Quinlan batted in four of the five runs. Montreal scored in the two games. Scores:

Torontos Home Again.

The Torontos come home to-day for a long stay and, tho the team have been pretty badly racketed around during the past trip, they are still full of fight and determined to oust Buffalo from first place. Hargrove may be able to join the team to-day. Montreal will be the local club's opponents and the game will be called at 4 o'clock. Gardner and Souders will be opposing pitchers.

Games on Sunday.

At Newark (Eastern)—Buffalo won two games again Sunday. Both contests were hard fought, the first one lasting 11 innings. Buffalo won this game on a single by Milligan, a passed ball and a single by Shaw.

Lynch of Buffalo adopted pugilistic tactics in the third innings of the first game. In going after Devlin's double a spectator got in his way and Lynch struck the man in the face, knocking him down. The crowd surged upon the field and the police were compelled to protect Lynch. He was taken from the grounds and Law went to first and Grimshaw to left. Hemming sprained his knee running in the first game and was forced to give way to Applegate. Hard hitting was the feature of the second contest, but Buffalo was luckier in bunching its drives. A home run by Nattriss with two men on bases was the feature of the second game. Umpire Egan did not put in an appearance and players from each team officiated. Scores:

Jersey City bunched hits at the right time in Saturday's game on their own grounds, and, aided by the loose fielding of the Rochesters, won easily. The visitors made the same number of hits as the locals, but in only one inning, the fifth, were they put together. Carr hit for a home run in the fifth inning with one on base. A one-hand catch by Hayden was the feature of the Rochester's game.

Worcester won its third straight game from Providence in a drizzling rain at home on Saturday. Friend was hit hard and received ragged support. The visitors bunched hits in the opening inning and, with Merritt's two errors, got three runs, but after that could do nothing with the Worcester veteran and only twice reached second base.

Buffalo won both games at Newark Saturday afternoon. In the first both pitchers were batted hard, Buffalo being more lucky in securing hits with men on bases. Milligan's home run over the centre field fence in the ninth inning sent in Atherton ahead of him. The second game was a model contest and Leroy and Applegate were at their best in the box. The Buffalos scored the only run of the game in the second inning on a wild throw to Hayward, a single by Milligan and Shaw's infield out.

The Ontarios request the following players to attend practice every night this week in preparation for the game on Saturday with the I.C.B.U. on the Don Flats: Harding, Cornell, Robertson, Kirkpatrick, Lyddel, Parker, Kennedy, Cowle, Henderson, Cornish, Latham, Duggan and C. Articles of agreement have been signed clinching the proposed match for the banam title between Harry Forbes of Chicago and Johnny Reagan of Brooklyn. According to the papers, the pair are to meet for the best of 20 rounds before the West End A.C., St. Louis, on Aug. 9. The weight is 115 pounds.

The Horse Show at Atlantic City closed on Saturday with a banner crowd. In the boxes and stalls were a great many New York people, who went down to attend the winding-up exhibitions and to remain until the Long Branch show opens this week. From the financial and social standpoints this year's exhibition eclipsed all previous ones. As usual, the New York entries carried away the bulk of honors. Whitman, owned by Mrs. John Gerken, won first prize in the champion class for saddle horses.

Senator Tim Sullivan of New York has subscribed to $2500 stock in the Kinloch Park (St. Louis) Racing Association, which is being reorganized with a view to holding a meet in August. Capt. P. J. Carmody is promoting the enterprise. Sufficient funds have been pledged to guarantee a successful meeting. One trouble confronts them, however—this the fear that the Western Jockey Club may not recognize the reorganized company. A conference is to be held at Barney Schreiber's stock farm tomorrow, at which the deal will be completed.

New York, July 19.—Fifty-one yachts sailed a fast and exciting race on Long Island Sound to-day over a 30-mile course in the first open regatta of the Larchmont Yacht Club's race week series. And gave all hands some windward work that tried their skill in handling sails.

Clarence H. Mackey's Mexican easily won the Produce Stakes, defeating the odds-on favorite, Hurst Park. The field that went to the post was the smallest that has started for such a rich purse in some time. Only three horses faced the starter. They were Mexican, with O'Connor up, and the Keene pair, Hurst Park, Shaw in the saddle, and Injunction, with the lesser Spencer to pilot him. On their recent brilliant performance the Keene stable was made favorite. The victory of Mexican was decidedly popular. The big crowd began cheering as the horses were passing the sixteenth pole, Mexican being three lengths in the lead. The cheering as they were finishing was deafening. Hats, canes and handkerchiefs were thrown in the air. The applause was renewed as O'Connor returned to the scales to weigh out. The race itself was a procession. Mexican beat the barrier, and O'Connor made every post-a winning one. He passed the wire in a gallop three lengths ahead. Hurst Park made an attempt to close at the head of the stretch, but was never able to scratch the leader. The time, 1.12 2-5, was fast. Star Chamber, a favorite, at 7 to 10, won the Chantilly Stakes, with Charawind second.
