The commander's report denies that his ship headed toward the boat containing survivors, and says that the boat was not struck, but that when the ship was 20 yards from them the men dived overboard. They climbed into the boat later and were picked up ten minutes afterwards. There was no surgeon aboard the ship, but the wounded prisoner was treated with as great care as possible. His wounds were washed and bandaged as best possible.

Had Chronic Indigestion Thought She Would Die

After Years of Suffering Attributes Cure to Dr. Chase's Kidney-Liver Pills.

Eating too much or using foods that do not agree are the usual causes of indigestion.

Trouble usually begins not in the stomach, but in the liver, since it devolves on this organ to filter the excess waste matter from the system.

Now, since Dr. Chase's Kidney-Liver Pills are the greatest of liver regulators, it naturally follows that they are unexcelled as a cure for the system.

Bet nothing to stop it until I tried Dr. Chase's Kidney-Liver Pills. I would have an attack of this trouble with my stomach every three or four weeks, and was so bad at times that my friends thought I would surely die. Thanks to these pills, I have not had an attack for six months, 22d believe that the cure is thorough. My husband has had very satisfactory experience with Dr. Chase's Kidney-Liver Pills. Havre, Nov. 14, via Paris.—The Belgiar Government is in possession of the text of a decree issued from German adducaters, under date of Oct. 3, subjecting to forced labor all Belgians able to work, and who, for wont of employment or for any other season, are receiving public support. The latest operations on the Roumanian front are marked by a slight withdrawal of the allies on both sides of the Alt River, in the Red Tower Pass. The Roumanians have occupied new lines south of Bumbeshti, in the Jiul Valley-Vulcan Pass region. In the Dobrudja no developments in the fighting have been observed. The Russo-Roumanian river flotilla has arived at Semeni, on the Danube, north of Cernavoda, and it has bombarded the left flank of Von Mackensen.
