

The Trust and Loan Company of Canada

The Company makes advances on Mortgage Security of City, Town or Farm Property in sums ranging from \$400 upwards, and for periods to suit borrowers; interest at 8 per cent per annum, payable half yearly. Approved mortgages, also, purchased at the Company's rates.

Borrowers have the option of repaying the principal either by annual instalments or in one sum at the end of the term. If the security prove satisfactory, the loan may be renewed for a further term.

The expenses will be found very moderate, and it is optional with the borrower either to have them deducted from the loan or added to the principal.

As interest is only reckoned from the date of the cheque (not from date of application, as is generally the case), the utmost despatch is used in the completion of every loan.

No commission charged either on the original loan or the renewal.

Applications to be addressed to the COMMISSIONERS or their solicitors, Messrs MACDONALD & PATTON, Trust and Loan Company's Office, corner Toronto and Adelaide streets, Toronto
