cantile purposes. Special Permits for servoyages and for California residence at reduced

voyages and for California residence at reduced premium.

It is believed that any Parish, or association of ladies, or others, for that special purpose, or any benevolent individual, desirous of securing an amount, to be paid to a Clergyman or other person on attaining the age of 40, 50 or 60 years, or to his family in the event of his death sooner occurring, will find on examination of the prospectus of this Company, (which is always furnished graus by the Agents, or by mail if written for,) that it offers greater facilities for the attainment of that object than any other similar Institution. (See extracts from Charter, and remarks, page 17 of Prospectus. Persons insured in this Company on the mutual plan—the "only plan," says Chambers, (see page 10 of Prospectus,) "which the public at large are concerned to support"—will have returned to them all of the profits, instead of a portion only, as is proposed by some of the stock or mixed companies.

Late annual dividend, secently five per cend, on the premiums paid by mutual members. On Policies for Life, half the premiums vested in the party's away lands at simple interest.
