

Preface

§

IN preparing for publication this first edition of TYRRELL'S SOCIETY BLUE BOOK, we have departed somewhat from the popular idea of what constitutes a Blue Book, and included many individuals who may not be strictly in Society. The entries in the Royal Blue Book in England include only those individuals who have been presented at Court, but with no such list to draw from in Canada we have included in this edition individuals who are prominent in the trades and professions as well as the leaders of Society, believing that such a list will be of greatest service to the greatest number.

It is our intention to improve each successive edition of this volume, making it a help to every hostess, and a necessity in every home.

We invite suggestions for the improvement of future editions and thank our numerous patrons who have so kindly furnished us with the information contained in these pages.
