BRITISH PLAY MAKES SENSATION IN HALIFAX

'Out There' Opened Last Night and Created a Veritable Furore Today's Halifax morning papers are not yet to hand so the press criticisms of the British play, 'Out There' are not yet available. However, several programs received this forenoon indicate the play's wonderful success last night. The Academy was packed with a fashionable audience and the New York company of players were accorded an almost unprecedented ovation at each fall of the curtain. J. F. O'Connell, manager of the Academy, writes Manager Golding of the Imperial, as follows:—

IT'S GOOD AGAIN THIS WEEK AT OPERA HOUSE

Music, comedy, magic, juggling, dancing, and lively humorous repartee, as well as beautiful stage settings and clever turning, all serve to make the vaudeville programme at the Opera House this week a splendid entertainment and worth while. Cora Youngblood, Corson's nine lady musicians in classical and popular instrumental selections are a whole show in themselves and will furnish a delightful treat to music lovers. Sing Ling Foo, the Chinese magician, plunges live ducks, geese and pigeons out of the air so quickly that the eye cannot see where they come from. In addition to the five acts of vaudeville, the programme for tonight includes the fifth chapter of the gripping dramatic serial 'The Gray Ghost,' with Eddie Pale in the principal role. Two shows this evening at 7.30 and 9. Popular prices.

KEEPING THE QUALITY UP. LAXATIVE BROMO QUININE, the World-Famous Cure for Colds and Grip, is now 80c per box. On account of the advance in the price of the six different Medicinal Concentrated Extracts and Chemicals contained in LAXATIVE BROMO QUININE, it was necessary to increase the price to the Druggist. It has stood the test for a Quarter of a Century. It is used by every Civilized Nation.

FOUND NO ASSAULT.

In the police court yesterday afternoon the charge of assault laid by Alfred Jeans against Adolphe and Herman Stearn was heard and judgment given by the magistrate in favor of the defendants. It was held, in spite of conflicting evidence, that there was no assault. The testimony revealed trouble with the Stearn Bros' wagon driver, Jeans, who refused to deliver milk on Sunday morning. He ran down the street with the Stearn brothers after him, the trio being caught by P. C. Hansen and brought to Central Station. Daniel Mallin, K. C., appeared for Mr. Jeans.

SERIOUS RIOTS IN BERLIN STREETS

London, Nov. 20.—Serious rioting took place in Berlin on last Sunday, according to despatches received here from Amsterdam.

THE MESSAGE SAYS THAT FIGHTING BETWEEN THE MOB AND THE POLICE WAS VERY FEROCE AND THAT THERE WAS A HEAVY CASUALTY LIST, AS THE POLICE USED THEIR FIREARMS.

The Wireless Press says the military and police were called upon to oppose the progress of the independent socialist demonstrators. In the riotous scenes which followed the police were forced to fire with their rifles and revolvers, and the organizers of the meeting responded with firearms and knives.

HARRY D. MILLER IS HOME FROM THE WAR

Among those who returned on last Thursday from England, was Harry D. Miller of 100 City road, son of Fred J. Miller of the west end. Mr. Miller left St. John with the 28th Battalion as a stretcher bearer and served in the trenches as "trench doctor" for nine months during the winter of 1915. He was wounded in the right arm in March, 1916, on the day on which the Canadian showed their bravery at the St. Elie craters. After convalescing in England for about a year, he joined the 104th Bn., of which he had been a member when it was so well known here as the Carleton Cornet Band. Mr. Miller speaks very highly of the members of the band, and their kindness to him while he was with them. On his return to St. John he was very warmly greeted by old friends, and, although he has visited many cities in England and Scotland, he says there is no place like the home town.

FORGE GERMANY TO ACCEPT OFFER OF THE BOLSHEVIKI

Copenhagen, Nov. 20.—Philip Scheidemann and Friedrich Ebert, German socialist leaders, before large meetings in Dresden and Elderfield yesterday launched a campaign designed to force the German and Austrian governments to abandon their present plan for annexation under the guise of protectorates of Poland, Lithuania and the Baltic provinces and accept the peace offer of the Russian Bolsheviki.

SOCIALIST LEADERS LAUNCH CAMPAIGN BEFORE LARGE MEETINGS IN DRESDEN AND ELDERFIELD

Herr Scheidemann said Germany would be endangered and the proposed general disarmament and lasting peace placed in jeopardy if Russia should be forced by German pressure to become a military state. He expressed pleasure in the fact that Herr Ebert had been made manifest within the Central Empires, of a plan to make the Austrian Emperor king of Poland and the German Emperor with the mantle of Duke of Courland and Prince of Lithuania. Such disregard of Russia's vital interests, on the principle that the foe had been vanquished, would sow permanent discord between Russia and Germany, he asserted, and perpetuate the war in Europe.
