SHIPPING MEN
DISCUSS MATTER
OF BERTHS HERE

Meet in Montreal on Subject
of Extra Winter
Sailings

URGE FACILITIES
BE INCREASED

This Phase to be Taken up
at a Later Ses-
sion

It was learned today that a meeting
of representatives of all the regular
steamship lines operating out of this
port this winter was held yesterday in
Montreal. H. C. Schofield, local man-
ager of Robert Rorford Co., Ltd., and
D. W. Leachman, local manager of
Furness-Witby Co. Ltd., were present
and returned here today. The question
of berths on account of the large in-
crease of sailings from Saint John this
year was under discussion.

MANY MORE SAILINGS

The sailing schedules of regular lines
operating from Saint John this winter
show 25 additional sailings over last
year. Mr. Schofield said. This was ex-
clusive of the Orford Line of which they
had no official notification and the
Canada-Cuba service which did not
take up the berths used for trans-
Atlantic traffic.

The representatives went over the
schedule and the feeling was that there
would be berth congestion early in the
season and if this proved correct the
sailings might have to be cancelled.
Mr. Schofield declared. The representa-
tives were all of the opinion that the
work of providing additional accommo-
dations for this port should be rushed
at the earliest possible moment so that
another season would find all ready.

While no resolutions to this effect
were passed at yesterday's meeting the
matter of urging additional facilities
here would be taken up at another
meeting in the near future, Mr. Scho-
field said.

The meeting yesterday was held at
the office of the shipping federation.
Representatives were present from the
following lines: Anchor-Donaldson,
Cunard, C. P. R., Furness, Manches-
ter, Intercontinental Transports, Elder
Demeter, New Zealand Shipping,
Head, Houston, Scandinavian-Ameri-
can.

Bank Clearings Here
Again Show Increase

Saint John bank clearings again this
week show an increase over those of
the corresponding week of last year.
The figures this week were \$2,641,597;
last year, \$2,070,638; in 1923, \$2,785,
827.

The Halifax clearings this week were
\$2,727,965. The Moncton figures were
\$838,191.

NEWSPAPER POSTAGE

Postmaster Alex. Thompson made
the following announcement today—
"The attention of the public is drawn
to the fact that newspapers mailed to
places outside of Canada, United
States, Mexico, Great Britain and cer-
tain British possessions, are subject
to postage rate of two cents for each
two ounces or fraction thereof, and
cannot be forwarded unless fully pre-
paid."

The local post office is receiving
large numbers of short-paid newspaper
packages addressed to foreign countries
and to British possessions, to which a
lower rate is not applicable, which
cannot be forwarded owing to the
new regulations governing this class of
matter, and the public is therefore
asked to be sure to have correct post-
age placed on newspapers when same
are mailed."

ST. JAMES' CHURCH
LAYMEN ORGANIZE

Preliminary Meeting is Held—
Will Complete on
November 8.

A meeting in connection with the
Laymen's Association was held on
Monday evening in the St. James'
church rooms by the laymen of the
church to discuss the formation of the
St. James' branch of the association.
A limited number were present, owing
to election, many of the laymen
being engaged in electoral duties. Mr.
Frith, secretary of the Diocesan Lay-
men's Association, explained the aims
and objects of the association, and was
ably supported by C. C. Kirby, vice-
chairman of the association, and Mr.
Olive of St. John's (Stone) church.

After a lengthy discussion, Mr.
Watson moved that St. James' form a
branch of the association, and that an-
other meeting, when more members
might be able to be present, be called
for Sunday, November 8, at 4 p. m.,
in the church rooms, and the election
of officers be then carried out. This
was seconded by Mr. Trenowsky and
carried unanimously.

It was resolved to elect a temporary
chairman and secretary to act in the
interest of the branch until the gen-
eral meeting, and Messrs. Watson and
Stagg were elected to hold the respec-
tive positions.

It was asked that all laymen of St.
James' church bear in mind the date
for the meeting and to attend in order
to get the branch properly organized,
and the pledge of membership signed,
and to assist in the election of officers.
Mr. Kirby has promised to attend and
address the meeting on the aims of the
association.

HUNDRED GATHER
FOR EVENT AT "Y"

Hallow'en Party, Held at Resi-
dence Last Evening, Proves
Very Enjoyable.

The largest Hallow'en party, and
a most delightful one, was held last
evening in the Y. M. C. A. residence,
with more than 100 young men and
women of the senior classes of the Y.
M. C. A. and the Y. W. C. A. partici-
pating. The committee responsible
for the successful event was composed
of Miss Gladys Johnston, Miss Freda
Hoyt and Miss Jean Sewell of the Y.
M. C. A. and Miss Allen, George
Morris and I. Newton Fanjoy of the
Y. M. C. A. The chaperons were Mrs.
D. R. Wille, Mrs. T. H. Sommerville,
Mrs. Herman Campbell and Mrs. A.
Gray Burnham, the first two from the
Y. M. C. A. and the two latter from
the Y. W. C. A. board.

Miss Estelle Fox and Arnold Kee
gave much enjoyed vocal solos and
Miss Verta Roberts several of her
popular readings.
Grotesque costumes were seen in
the masquerade. Everyone entered into
the hilarity of the evening and en-
joyed all the usual Hallow'en stunts,
with many new hair-raising games in-
troduced. With black cats and ghosts
strongly featured in the decorations,
the effect was thrilling.

ST. LUKE'S EVENTS

Young People Have Happy Eve-
ning—Debate on Cosmetics
Coming.

St. Luke's Anglican Young People's
Association held a masquerade party
this evening in the guild room of the
church, which was gaily decorated with
Hallow'en colors. Burton Flewelling
was chairman for a bright and greatly
appreciated program which included
Miss Muriel Seely and Miss Isabelle Gaskin
arranged. Miss Helen Adams had
charge of the refreshments, assisted by
Miss Ida Solomon, Miss Edith Finch,
Miss Lucy Glass and Miss Marjorie
Hugson. Roland Butlin sang a solo,
accompanied by Miss Marion Hamil-
ton.

The chairman announced that the
evening service next Sunday would be
under the auspices of the young people
of the church with Edgar Adams and
Perley Nason reading the lessons. Rev.
W. E. Fuller will preach a sermon suit-
able for the young people. A further
announcement was that the associa-
tion would hold a debate next Tuesday
evening on: "Resolved, that cosmetics

Several Autos
Are In Mishaps

Automobile No. 5080 was damaged
this morning about 11:30 o'clock when
it was struck by car No. 7401 at the
corner of Charlotte and Duke streets.
No. 5080 was traveling up Charlotte
and had reached Duke when the other
drove in from that street from the di-
rection of Sydney. In the crash car
5080 was damaged at the rear, a wheel
was badly affected and a mud guard
was damaged. A lady who was in the
auto was stunned but apparently not
injured.

Automobile No. 7398, driven by E.
Watters, collided with car No. 14250,
driven by D. M. Dykeman, in King
street yesterday afternoon. A small road
and fender on the Watters car were
broken.

An automobile bearing N. B. license
No. 15333 went into the ditch last
evening at Renforth near the railway
bridge and remained there for about an
hour until help was secured to get it
back on the road. In the car were three
women, a man and a boy. It is said
that the glare of the lights on another
car was the cause of the accident.

An axle of an automobile owned and
driven by William Dixon, of Glen Falls,
was broken about 10:30 o'clock last
evening at the corner of Charlotte and
Union streets. One of the front wheels
of the machine also came off. No one
was injured. The car was later towed
away for repairs.

Traffic officers and motormen re-
ported this afternoon that traffic was very
heavy and the automobiles in some of
the narrower streets were causing
considerable congestion.
