Derides Explanation of Millions of Dead Young Shad in Lake Ontario.

Ottawa, Ont., June 23.—Officials of the federal department of fisheries are not prepared to admit the accuracy of the most recent explanation of the presence and death in Lake Ontario of mil-

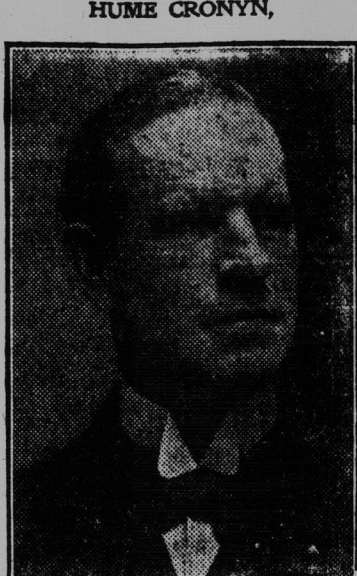

Ariola Skin Food

TO keep wrinkles at bay, use Ariola skin food, as a massage cream, every night. Work it in gently around the eyes, the mouth and on the neck. It will whiten your skin, build up sagging muscles, remove wrinkles and prevent new wrinkles. Be sure you use it every night.

That council was established about four years ago to study the application of methods and research to industry. It consists of eleven of the prominent scientists of the Dominion.

with the result that the shad had been liberated in Lake Ontario, and the herring in the Pacific Ocean. W. A. Pound, superintendent of fisheries, considered the story was unfounded. He said that shad were a spring-spawning, not a fall-spawning fish, and said that only once, many years ago, and that not through Canada, had shad been transported to the Pacific coast. Shad eggs, he said, hatched in from six to

DEFEATED IN IRISH ELECTIONS.
Lord Mayor O'Callaghan of Cork whose complete defeat in the Irish elections amazed the de Valerians.

CORONAL
What shall I bring
To my Fleurette
From Spring's green acres,
Wild and wet,
Hyacinth or daffodil,
Crocus from the windy hill?
Nay, from the green,
Wet wilds of Spring,
The frail arbutus
I will bring,
It only,
Fitting coronet
For one as lovely
As Fleurette.
