Averages of the Bowlers in
the Championship on
Black's Alleys.

The statistics of the recent bowling
tournament on Black's alleys for the
Brunswick-Balke-Clendinning trophy em-
blematic of the championship of the
maritime provinces and eastern Maine
have been compiled. They show that
Calais had the largest pin fall, having an
average of 1446 for their five games. The
Fredericton team, who won the large
silver pin, came fourth, but it must be
taken into consideration that two of
their games were bowled on No. 3 and 4
alleys, while all the Maine teams
were bowled on No. 1 and 2.

J. Casey, of Calais, had the highest in-
dividual pin fall, averaging 100-4-13,
while Gillespie, of the same team, rolled
the highest individual strike. The bor-
der team also won the prize for the high-
est game rolled, which was 1497.

WAR'S MEMENTO
MAKES BURWELL
FREAK PITCHER

New York, April 23.—Memories of the
immortal "Three-fingered" Brown of the
Cubs of other days are recalled by the
addition to the pitching staff of the St.
Louis American League Club of a
youngster named Bill Burwell, who has
mutilated finger on his right hand.

Bill was a doughboy in France, and the
injury to his hand is a memento of the
war, for the finger got in the way of a
stray bullet from a German machine
gun one day.

Bill avers that was quite the most
fortunate incident in his life, for before
the war he never was much of a pitcher,
but now, chiefly because of his crooked
and shattered finger, he can get a peculiar
grip on a ball and make it do all sorts
of stunts.

KEEPING SHELL
CREWS IN TRIM

Joe Wright, Canadian Train-
er at Penn, Rules With Iron
Hand.

New York, April 23.—Joe Wright,
husky Canadian governor of the Penn-
sylvania shell crews, recently outdugged
by Yale, is a coach who demands the
luxury and pampering which modern
day athletes receive in most universities.
Joe intends that no such conditions shall
obtain at Pennsylvania—not on the crews
at any rate. Wright laid the law down
to his candidates at the start of the
training season and told them the con-
sequences of infractions.

One promising athlete, Red Hinchey,
violated Wright's training code by stay-
ing out most of the night at a dance
recently, and found himself out of the
varsity boat for the senior contest with
Yale. Rumor now has it that other
members of Red and Blue Varsity
have been guilty of lapses in training,
and if they have they can expect no
quarters from their businesslike Cana-
dian coach.

Wright's policy is one that will gain
both the respect of the candidates and
the best efforts of which they are cap-
able. There is a lot of the small boy
left in the youth in college, and coercion
sometimes is quite necessary if any good
is to be accomplished with him.

RUTH HURT; OUT OF GAME LIKELY FOR FORTNIGHT

New York, April 23.—Injury to "Babe"
Ruth of the New York Americans will
probably keep him out of the game for
two weeks, said a specialist last night
after an examination which revealed
that a muscle had been torn from the
eleventh rib. Ruth was hurt in bat-
ting practice on Thursday, but played
one inning before realizing the extent
of the injury.

Fing Bodie, who has been indefini-
tely suspended for deserting the Yankees
on the training trip, was reinstated yes-
terday and will take Ruth's place in to-
day's contest.

Good progress is being made by the
contractor on St. Peter's new park. A
large amount of excavating has already
been done and the northwestern section
of the field is being filled in. Carpen-
ters are also at work erecting a high
fence and a grandstand. It is expected
that the contractors will have the field
ready by May 15.

M. C. A., the Atlantic Sugar Refinery
and Fairville. It is planned to have
games played two nights on St. Peter's
grounds and two nights a week on the
East End grounds. This as well as a
playing schedule, etc., will be decided
at the meeting.

You can easily get rid of the cough
or cold at its inception by using Dr.
Wood's Norway Pine Syrup, a remedy
that has been universally used through-
out Canada for the past 30 years.

Mrs. Samuel Matthews, Portage, P. E.
I., writes:—"Last winter I caught a
heavy cold, and was laid up for some
time. I had such a hacking cough I
could not sleep at night, and did not
think I could ever get over it. One
day a friend dropped in to see me, and
was surprised to see how bad my cough
was. She advised me to use Dr. Wood's
Norway Pine Syrup, so the next day I
sent for a bottle and soon got rid of it,
and by the time I had taken two bottles,
my cough was all gone. I doubt there
is anything to equal it."

Dr. Wood's Norway Pine Syrup is put
up in a yellow wrapper; 3 pine trees the
trade mark; price 25c and 50c. Manu-
factured only by The T. Milburn Co.,
Limited, Toronto, Ont.

It is understood that a meeting will
be called next week to organize a city
baseball league. It is already assured
that there will be a league and that
games will be played on St. Peter's new
ball park in the rear of Clarendon
street, and on the East End grounds.
Five teams are mentioned—St. Peter's,
who won the championship last year;
the East End League champions, the Y.
