CANADIAN PACIFIC BAY SERVICE.

One of the very finest travel attractions, locally, is a holiday trip across the Bay of Fundy. Thousands of tourists annually proclaim it as one of the best one-day tours they meet with. The Canadian Pacific steamer Empress—and it's one fine steamer—leaves at eight-fifteen daylight in the morning, and crosses in three hours. This gives several hours to be spent at Digby and its beautiful environment, and passengers arrive back in the city about seven in the evening. There is a great wealth of pleasure ahead for those of our citizens who have not heretofore availed themselves of this holiday outing. And besides, there's nothing better for good health's sake.

NOTICE.
Steamer Majestic will leave St. John on the 24th at 9 a. m. Daylight time, making all stops from here to Cole's Island, and return Sunday, leaving Narrows at 2 p. m. (Standard time)

The Efficient Mr. Biffkins

(Chapter Four.)

Mr. Biffkins was down a little early that morning, and he noticed that the secretary of the junior partner was in tears.

After some hesitation, Mr. Biffkins opened the door a little wider and said: "Well, well, what's the trouble?"

"I—I—lost my engagement ring," sobbed the young lady.

"I have not been wearing it at the office yet, and it must have slipped out of my purse when I was hunting for change on the street car."

And she buried her face in her arms and wept violently.

"Let me handle this matter for you," said the efficient Mr. Biffkins sympathetically. "I'll try a lost ad. in The Times-Star. The Times-Star has never failed me yet—and I know The Times-Star is not going to throw down a pretty young lady in trouble."

As usual, Mr. Biffkins was right in his notions, for only two hours after the lost ad. had been published the precious ring was restored to the junior partner's secretary.

Quaker

Puffed Rice

Whole Grains - made delicious

Products of The Quaker Mills, Peterborough and Saskatoon

Mothers!

THERE are three essentials to child development—minerals, vitamins and bran.

In one delicious, enticing form you supply all three every time you serve a bowl of Quaker Puffed Wheat with milk.

Puffed Wheat—simply the whole grain exploded by a wonderful steam process and cooked to a crisp. Every food cell is broken up, making digestion easy. All the minerals and bran are there; all the flavour is there. Milk supplies the vitamins.

There is no wiser food—no food children love more. Give it to them every day.

Quaker Puffed Rice—kernels of rice shot from guns and puffed to eight times normal size like Quaker Puffed Wheat. Delicious daily foods for all. Keep both on hand.

Put them on to-day's grocery list.
