

Sunbeam Mission Band.

The work of this "Band" has been carried on much the same as the preceding year.

The meetings continue to be held weekly, the first Monday of every month being set apart for devotional exercises and instruction on the different mission fields of our Church.

As a result of the weekly meetings the "Band" was enabled to forward to the "Crowstand Mission" goods to the value of from \$12 to \$15, all new and made-up, principally by the children, consisting of jackets, hoods, aprons, cloth for skirts, dolls, etc. Through the success of our kindergarten concerts we were also enabled to give \$10 to the "Fort Pelly" Fund, which was handed in to Mr. A. M. Gunn.

As we have not held our annual meeting for this year we have not yet appropriated the funds on hand, which amount to something about \$20.

The chief aim of our "Band" is not what little we can do in the way of raising funds to further the cause of Mission Work, but that the children of our Church may grow up interested in this great scheme and realize, while young, the spirit of the Master's order "Go teach all nations."

We would kindly ask parents, who take any interest in this work, to remind their children of the day of meeting. (The first Monday of every week from four o'clock until five.)

There are twenty-five names enrolled this year, which seems a small percentage for our congregation.
