

There are two terms in the year for the College School, each consisting of twenty weeks. The midsummer term begins on the 15th of January and ends with May 31st. The Christmas term begins on the 1st August and ends with December 17th.

Scholarships on the Cochran, Macallum, and other foundations are assigned by competition as there may be vacancies and deserving candidates after the Christmas and Midsummer examinations.

There are exhibitions for the sons of clergymen of the Church of England at present covering the ordinary tuition fee.

The Medals and Prizes are given after the Midsummer term, when the examination is on the subjects of the whole year.

THE COLLEGE SCHOOL CHARGES PER TERM ARE:

Fee for tuition.....	\$15 00
Extra fee for instrumental music.....	5 00
School library.....	0 50
Board for boys under sixteen.....	80 00
“ “ over “.....	90 00
Dinner for day scholars, if practicable.....	32 00
Cathedral.....	0 50

The College provides bedstead, but every boarder has to bring bed or mattress, bedding, six towels, clothes bag, and India-rubber over-shoes.

Every article of clothing should be marked in full with the owner's name.

Laundry and seamstress work is afforded, when required, at cost price.

Notice of the withdrawal of a boarder should be given at least two months before the end of the term.

Before the admission of a boarder \$80, as caution money, has to be lodged with the Bursar. This remains in the hands of the College till the pupil is withdrawn, when it goes against the last account. In consequence of this the College bills are not sent out till the close of the term, when payment should immediately be made,—at least before the commencement of the next term.

Any sums due to the College may be paid to the account of the Bishop of Rupert's Land, Merchants' Bank, Winnipeg, or to the Steward, the Rev. Canon Matheson, St. John's College.

Application for admission has to be made to the Warden of the College, the Bishop of Rupert's Land.

There is an Under School Department for boys found not sufficiently advanced for the school, but for the Under School a boy should be able to pass an examination in the Second Reader.

No boy can be admitted as a boarder in the College School under the age of eight years or over the age of fifteen except in special circumstances to be approved by the Warden.
