Here's losting at you, boys! Keep up the gait. Crawford's throw and Sander's pickup in the sixth, cutting off Dean at the plate, were fine plays.

VERY AUSPICIOUS OPENING OF THE BASECALL SEASON IN THE MAPLE CITY-SPORT-ING NOTES.

The Reds opened the home season the Canadian Baseball League yes-terday with a victory over the Hams was a clean out-and-out victory o

The Chatham team was royal welcome. Over two thousand spectators, many of them ladies, viewed the game and cheered their favorities on to victory. The Reds gave their patrons a true spectacle of fast ball playing. Their hitting and base-ranning was hard and clever, while but one error, and tast one of a very excussible character—interfered with the gilt-edge fielding game they played.

THE PARADE.

The street parade organized at the Hotel Rankin, and was headed by the Boy's Brigade Band, of McKeonga's school, who played some of their best nusic in finished style, in the hacks which followed were the Hamilton and Thatham ball players, the Mayor and idermen of the city and the directors of the association.

Arrived at the grounds, the players of both teams lined up at the plate, while Mayor Smith addressed them as sollows.

HIS WORSHIP'S SPEECH.

THE MAYOR PITCHED.

THE MAYOR PITCHED.

Umpire Daily then handed his worship the new ball, while Thirdbaseman Hageriy, of the visitors, stepped to the plate, bat in Land. Then President Quinn made his appearance, padded and caged, to fulfir the duties of catcher. His worship wound his arm gracefully around and shot the spheroid spinning over the plate. Hagerty swung for the ball, but the curve was too much for him and likewise for Catcher Quinn, the throng broke into applause, Daiey called 'Play ball' and the initial contest was on.

test was on.
THE GAME. THE GAME.

Hagerman, for the Reds, pitched to win the game. He had splendid speed, and although he gave several men their bases, it amounted to little. Hagerman was also responsible for some brilliant fielding, having six assists, some of them difficult captures, to his credit, and proving timself very handy with the bet.

The team behind him played wonder-ful ball. The infield was simply perfect and their playing was full of ginger and life, while the outfield covered lots of ground, and made several elever cap-

ground, and made several crever varieties.

Then the Reds batted, too. They bunched their hits, at that, and ran bases like deers. If the bail played yesterday is kept up, our team will be the leaders at the close of the season.

The visitors worked hard, but were simply outclassed. At times they played brilliant bail, and Dean and McCann pitched good bail, but could not escape the slaughter of the Chatham bats. An amusing and capital feature of the game was the insurant comments of the Boys' Band, When a fast double retired the Hams in the first, they ren-fered "You're not so warm," with

ST. THOMAS' FIRST WIN.
Guelph, Ont., May 15.—St. Themas awakened from their trance to day, and defeated the home team in a game that was very one-sided. Herbrand, the local side-wheeler, started in for Guelph and allowed St. Thomas to score six runs in the first three innings. Burke, another of alanager Black's finds, replaced him in the fourth, and succeeded in holding the visitors down to three hits for the balance of the game. The features of the game were Tibald's home run in the ninth over right field fence, and Trager's grandstand catch in left field. The score:—

CANNOT ALWAYS WIN,

CANNOT ALWAYS WIN.

Every dog has his day so do baseball players, and particularly to pitchers does this apply. Because Frisk, the Canadian Lesarue star, who did all of the good work for Detroit in the exhition games, happened to lack control of ball last Sunday, the hasty criticism was made that he would have to do better or be cast adrift. A race horse does not always run true to form, and men in other branches than that of the ball player do not always feel the same. A man who is employed in a factory at piece work cannot make the same wages every day, as when he is feeling in the best of spirits everything moves along smoothly, and an extra amount of work is accomplished, while at other times he feels gut of sorts and makes.

a bungle of everything. Baseball players are human, their physical and mental condition is not the same every day, and because a man gets off badly in an occasional game, the hand of encouragement should be extended to him and not the ever ready boot applied that helps the unfortunate along when they get staried on the down grade. If anyone is to blame for the loss of Sunday's game it is Manager Stallings and not Pitcher Frisk. The twirler was trying to get the ball over the plate, but could not, and as long as he was not relieved, there was no hing to do but stick bravely to the task and make the best of a bad situation. Even the great Nichols, of Boston, has his troubles at times, and this can be said of every other pitcher and ball player in the business. If they were all perfect at all times, the game would soon die out, for it should be remembered that it is the uncertainty of the national pastime that preserves its popularity. bungle of everything. My skin was almost yellow, eyes sunken, tongue costed, pain continually in back and sides, no appetite,—gradually growing weaker day by day. Three physicians had given me up. Fortunately, a friend advised trying Electric Bitters'; and to my great Joy and surprise, the first bottle made a decided improvement. I continued their use for three weeks, and am now a well man.
