## QUEBEC MILLWORKERS ARRIVE ON FRASER

Many Were Formerly Employed by the Booth Lumber Company.

New Westminster, Sept, 28 .- Forty families of French-Canadians comprising one hundred and sixty-nine souls council meeting it was decided to give the metre contract to the Jorante of the huncar of provincial inmills at Millside yesterday afternoon, and are now safely installed in their new quarters. The male members of the families are all experienced lumber- with respect to the Jorante with its formation, asking that copies of the hundred are to be ordered at the start, report of the board and supplies of litthe families are all experienced lumber-men, skilled in all branches of the busthe families are all experienced lumoermen, skilled in all branches of the business in the mill, the forest and the river, and they have been brought west from their homes in Quebec province tholic mission, and will be hurried to find the district and the resources and general information required by intending immigrants, should be sent to the office of Hon. J. H. Turner, agent-general in London to replace the Hindus and other Orien-

tals employed at the mills, the oldest province left Montreal last the first time in August. week in a special train, consisting of five passenger coaches and four baggage cars, and they made the journey cross the continent in a little less than five days Many of the men were formerly in the employ of the Booth

Lumber Company of Ottawa. Father O'Boyle stated last evening that some little difficulty had been experienced in persuading the home-loving French-Canadians to cut loose from their old province and embark on s lengthy a journey.

"Now, however, that we have got them to come here," said he, "I have no doubt that many others will follow. The families represent practically the whole of Quebec. I am sure that they will like conditions here, and will
