Miramichi Advance.

St. John Trade. The St. John Sun is exultant over the fact that St. John trade for 1880 is shown by the Customs Returns of that port to have been very much larger in volume than that of 1879. It argues rom this that the Dominion Governthat party deserve ridicule and condue to the disturbing influences set in motion by the present Government. and that the last year's returns only indicate restoration, through the natural functions of the body commercial, not suffering greatly in consequence of the present tariff policy. To show the extent to which St. John is indebted to the National Policy for her increased trade, it is only necessary to quote a few figures. The export trade

\$393,290 \$582,532 claim credit for their policy because in Great Britain, it is not a great compliment to the intelligence of their readers. Those who are acquainted higher tariff imposts, which almost kill the lumber business, but in spite of its £6 7s. 6d. per standard. For the deal adverse policy, the British and foreign ends £5 15s. was bid and declined.

Another Report.

demand has saved it.

It is said on good authority that the Government are making an arrangement with a syndicate of English capitalists to build the whole Canada Pacific Railway, and that to ratify the agreement is the occasion of Sir Charles Tupper's visit to

came very near making arrangements with Sir Hugh Allan to build the Canada Pacific; indeed, he had almost 'sold the charter," when he suddenly discovered that "his usefulness was zone." Soon after his accession to Great Britain, where he was attended by some of our other knights, and Beaconsfield suddenly discovered that all the wealthy farming population to the lands lying along the Canada Pacific route. He came home and the "well-informed organs" told us that he had secured an Imperial guarantee for the construction of the road, that the British Government was about to send out Commissioners to conduct the operations connected with construction. and that several bodies of capitalists were spoiling to build the road for the land subsidy offered by the Govern-

ment. It turned out, however, according to assurances given by members of 28 33 54 61 49 the British Government, in reply to March last. parliamentary enquiry, that they were not committed to anything save Beaonsfield's absurd statement concerning consfield's absurd statement concerning the exodus of rich American farmers to the Northwest. Now, we have not only Sir Charles, but also Sir John and Hon. Mr. Pope on the cards for a trip to Great Britain in reference to this Pacific Railway business. Let the people of the country think of these Ministers with salaries of \$7,000 and \$8,000 going The Chief of Police received information of the affair from the Bank people about 3 o'clock yesterday afternoon, and at once took steps to prevent Melick's escape from the city. The detectives, McFadden and Weatherhead, were put on his track round town, and from information they received had reason to believe that he had proceeded towards the Mahogany Road or some of the Western Wahogany Road or some of the Western was about 3 o'clock yesterday afternoon, and at once took steps to prevent Melick's escape from the city. The detectives, McFadden and Weatherhead, were put on his track round town, and from information to the affair from the Bank people about 3 o'clock yesterday afternoon, and once took steps to prevent Melick's escape from the city. The detectives, McFadden and Weatherhead, were put on his track round town, and from the Bank people about 3 o'clock yesterday afternoon, and once took steps to prevent Melick's escape from the city. The detectives, McFadden and Weatherhead, were put on his track round town, and from the people of the country think of these Ministers was about 3 o'clock yesterday afternoon, and once took steps to prevent Melick's escape from the city. The detectives, McFadden and Weatherhead, were put on his track round town, and from the five factories of the country think of these Ministers was about 3 o'clock yesterday afternoon, and once took steps to prevent Melick's escape from the city. The detectives, McFadden and Weatherhead, were put on his track round town, and from the provent Melick's escape from the city. On he was employed in a bank,) and for a the office of Messrs. Guy, Bevan &. Co., lumber shippers, and a short time ago was office there. While in St. John, Mr. Patchell was quite a popular young man, and on a visit to this city a few weeks ago.

> York as a 'banking house.' The New York papers give full partiulars of the above affair and we select the views taken of it.

The story told in yesterday's newspapers curious recovery was the principal topic of discussion on Wall street yesterday. The envelope containing the stock was picked up by a boy a few moments after it had been dropped by Brayton Ives & Co.'s clerk, Henry E. Seixas, and handed to nce R. Jerome, Jr., under the imhis resignation, and reproduces the orders close to his heels. Mr. Jerome was at that time talking to Ed. M. Patchell. The envelope contained on the outside a full description of its contents, together with the name and address of the owners, whose office was just across the street from where they stood. Patchell went to the office of a banker and broker, who is a member in good standing in the Stock Exchange, and leposited the securities in his keeping. The broker did not notify Brayton Ives & Co., but afterwards returned the securities to Patchell on the latter's application. and Patchell had found the lost securities and arrested them. Patchell is a tall.

strapping fellow, and was apparently about to offer a stout resistance, but Detective Slevin promptly brought him to terms. When taken to police headquarters he professed the most violent indignation, and threatened all sorts of things in revenge for the indignity that had been put upon him. Finally, Inspector Byrnes ventured the hap-hazard assertion: "What are you talking about ? I know you have those securities in your possession, and I want you to give them up." At this Patchell wilted, and without more ado accompanied the inspector to the office where he was employed, and turned them all over to him. of a neighboring state. When his office was visited by the detective he was not to be found.

possession of" his firm, and that he had to agree upon a day for holding the ex-"a probable cause to suspect, and does amination and to furnish bail. suspect, that the said property was felo- The prisoners, when asked privately

Detectives Weathernead and Mcradden proceeded along over to Fairville. On passing out of that place, they were at a loss to know which road he had taken, the new road, the Nerepis Road or the Mahogany Road. Enquiry proved however, that a man answering to Melick's description upon him while intoxicated, and said that to Mr. Patchell, who put it into his safe, he had found \$100,000 and did not intend expecting to receive a reward. Mr. Ambrose H. Purdy , counsel for the was out of town, and they decided to defendants, said he was not ready to go on just then; and Justice Duffy remanded

They then went on a spree together, and on just then; and Justice Duffy remanded them to the custody of Inspector Byrnes assembled in the parties on the road a short distance ahead in company with his brother, Charles Melick, Maple Hill was passed, and on reaching a long stretch of straight road before company extra the straight road before companing to Spruce Lake, the officers espied a waggon ahead, which they supposed contained the fugitive. Afraid of alarming Melick, who would have redoubled his efforts to escape had he known he was so closely pursued, the detectives made use of have a motion to make, your Honor which delphia, and a loan of \$70,000 obtained on will, perhaps, obviate the necessity of en- them without trouble. Or their numbers which answered their purpose very well. Weatherhead shammed very tight, leaning forward and rolling about in the wagon. McFadden put his arm around Weatherhead in a careful manner and leaned forward himself, giving the mare rein. Thus, with the appearance of a couple of "boys" out on the road on a time, they drove down on their victim, RAPHILY CLOSING THE CARP. know that on investigation you will come 000 worth of securities lost by Brayton last year of \$16.80 which was not settled

Some discussion arose during which it account making the same charge. Coun. Loggie said there had been similar cases, and that officers must have necesssary expenses over mileage. Account

Coun. Johnson said a bill came before the Committee in January last from John L. Gould, Constable, for \$2.00 when the Committee recommended that only \$1.30 It was moved by Coun. Lawlor and be paid. The bill was again brought beseconded; that the Sec-Treasurer be order- fore the Committee this session with a paper pasted on the back concealing the former recommendation of the Committee and additional charges were also made which swelled the amount to \$7.40.

Coun. Johnson stated that when the bill came before the Committee last January, they allowed all legal charges in this mat ter. It was finally moved and carried, that the recommendation of the Committee that \$1.30 be paid be carried out, confirming the decision of last year. Coun. Loggie said that it was evident

thought that the matter should lie over till Coun. James Brown said Coun. Freeze next January. However, as the vote had would now find that the stench was en- been taken, he wished to have it recorded which was done ac Yeas-Couns. Adams. Pond. Cameron Bamford, W. S. Brown, Hayes, Betts.

Fitzpatrick, McNaughton, Foley, Johnson, Jas. Brown .- 12. Nays. - Couns. Maddock, Freeze, Under hill, Hayes, Sullivan, Lawlor, Loggie. -7. Account of W. F. Smallwood for taking lunatics to St. John. There were two amounts of \$24.00 each, and the Committee recommended that Mr. Smallwood be paid ericton to the Governor General in Council, \$2.00 in satisfaction of the balance of \$6.00 claimed, allowing \$22 for each item.

Account of William Wood Constable for \$24 for taking prisoners to St. John. The Committee recommended that he be paid a balance of \$2.00 on the same Passed accordingly. A charge made by Ralph Fayle, Esq.,

The Committee recommended that the amount of \$2.00 asked be not paid, and the same recommendation extended to a similar account. Some discussion ensued, in which the Sec. - Treas, stated that such fees were not

Both bills were thrown out as recommended. matter, but he never heard of them doing for service as constable in a fishery case An amount claimed by Angus Campbell amounting in all to \$3.40 was thrown out. the case being undecided.

Account of Dr. McDonald amounting to

and certificate of Lunacy. The Committee recommended that \$4.67 Passed as recommended. Account of Joseph Chaplin Coroner

of the claim. Passed as recommended. Thos. Reynolds, Police Constable, an account of \$65.60 for half years salary as care-taker, meals for prisoners and repairs etc. The Committee recommended that from the item of \$10 for repairs, \$5 be

The Sec.-Treas said that the repairs must be paid by the Police District. On motion of Coun. W. S. Brown, it was ordered that the bill he paid as recommended by the Committee, but that \$7.00 he charged to the Police District of Chatham, for repairs and lime etc. Account of Mr. M. Sargeant, Newcastle, The account was brought up last January, and there was a balance claimed on it of

and if entitled to the amount he should Coun. W. S. Brown complained that Coun. Jas. Brown's present course was inconsistent with his conduct when on the Committee, where he agreed with the others, and now came forward to oppose his own action. He himself believed Mr.

Sargeant was hardly dealt with, but the Committee could not give him that money, as they believed that it had already been paid in the jailor's fees. Coun. James Brown defended himself against the charge of inconsistency. The original motion that the amount should be paid in full, being lost, it was moved in amendment and carried, that the amount paid Mr. Sargeant be the same

as that decided upon by the Committee
