to belong, it is not customary that matters should be so dealt with. It is usual that abould be so dealt with. It is usual that seem to have said something very wrong. papers should be presented; but that I will The odds en a handicap are child's play to understand beside this law," he added,

"It is obvious, James," said John, "that, putting aside other matters, this would prove, independent of pecuniary reward, a most interesting ease for you to conduct."
"That is so, John," replied James; "but, as you must be well aware; the etiquette of lous identity of movement and expres-"I presume, Messon, that this is not a hoax," said James, severely. "I presume that you know too well what is due to learned counsel to attempt to make one of their body the victim of a practical loke?"

"Yes," put in Enstage "I have a long to the loar of their body the victim of a practical loke?"

"Yes," put in Eastace, "I have always erstood that they were regular nailers. "Surely, Meeson," added John, "you have sufficient respect for the dignity for the John, with a sweet smile. "A fee must be marked upon the brief of learned counsel, and that fee must be paid to him, together "Oh, certainly not. I assure you it is all with many other smaller fees; for learned counsel is like the cigarette-boxes and new "Proceed," said James, resuming his seat. he does not work unless you drop something fashioned weighing-machines at the stations: down him. But there is nothing to prevent "You are right there, old boy," said Eustace. "And now, just listen," and he proceeded to unfold his moving tale with much point and emphasis.

When he had finished, John looked at James rather helplessly. The case was beyond him. But James was equal to the occasion. He had mastered that first great and then resign their fee. Why should you not do the same in this case, in your own inlay to heart: "Never appear to be ignorant." terest? Of course, if we win the cause the "This case," he said, as though he were other side or the estate will pay the costs;

peculiar idiosyncrasies, and the various foruces' that it presents, it will, upon closer examination, be found to fall within those general laws that govern the legal "No," said James; "I quite understand." course of testamentary disposition. If I I was going to say 'are to be presented to

CHAPTER XVII,

HOW AUGUSTA WAS FILED. That very afternoon Eustace returned to writing should be done on paper or parchment, but I have no doubt that the young lady's skin, if carefully removed to tell his dear Augusta that she must atyoung lady's skin, if carefully removed tend on the following morning to be filed in and dried, would make excellent parch-the Registry at Somerset House. As may ent. At present, therefore, it is parch-be imagined, though willing to go any reaaccurate—that the will was properly and who, however, presently left the room, leav

"either it must be done or else the whole necessity for an attestation clause is one of those fallacies of the lay mind which, perhaps cluster more frequently and the document should be placed in the cus-

tions connected with testamentary dis-"But how am I going to live in a cup position than those of any other branch | board, or in an iron safe with a lot of wills?' of the law. Therefore, we must take the will to have been properly executed in accordance with the spirit of the statute. "Mr. John Short says that that is a matter And now we come to what at present which the learned doctor will have to settle. strikes me as the crux. The will is undated. His own opinion is that the learned doctor-Does that invalidate it? I answer with con- confound him!-will order that you should fidence, no. And mark: evidence—that of Lady Holmhurst—can be produced that this the trial comes off, for, you see, in that way will did not exist upon the back of Miss you would never be out of the custody of an Augusta Smithers previously to December officer of the court. But," went on Eustace, 19, on which day the 'Kangaroo' sunk; and gloomily, "all I can tell him, if he makes evidence can also be produced—that of that order, is, that if he takes you about

"Why?" said August. It is, therefore, clear that it must have got upon her back between December 19 and that's why. Old? oh, yes; I dare say he is "Quite so, old fellow," said Eustace, much impressed at this corruscation of legal lore. "Evidently you are the man to tackle can you expect from a gentleman, however the case. But, I say, what is to be done learned, who has practiced for twenty years next? You see, I'm afraid it is too late.

Probate has issued, whatever that may on Eustace, vindictively—"I know him. ear."

"Probate has issued!" echoed the great he would be an old duffer if he didn't."

"Really," said Augusta, bursting out "I don't know about being ridiculous, erroneous apprehension of the facts can not | Augusta; but if you think I am going to let brother James, Messon. Considering how small are his opporturnies of becom-
