We call particular attention to the and many of then have been here be fore. Mr. and Mrs. Smithson, Miss Bes joined statement. No incident of its kind, of equal interest and importance, has occurred of late years. A declaration so startling in its general cope, and so full of corroborative detail, certainly warrants the conclusion that a new epoch in the healing art has dawned upon us, Aside from the force of the legal forms which it assumes, the facts, as alleged, rest upon the results of a thorough and careful

years, during which time I remained in the hospital. In August, 1881, I became tired of being in the hospital, and was carried to my house. I was so weak and em-actated that I got a pair of crutches to help me to hobble about the house. My father and friends who saw me were shocked at my feeble and am-actated appearance, and thought I was not long for this world. I lingered on in the same wretched state for two more years, expecting and wishing that -At Hibernia, Queens County, or 10th, to Mr. and Mrs. John McGee, a more years, expecting and wishing that I should soon be out of my misery.
