20th Century Brand **Fine Tailored** Overcoats.

We want you to be fully persuaded of the supremacy of Twentieth Century Brand Fine Tailored Garments. In perfection of fit and finish; the selection of the most fashionable materials; quick response to each season's changes of fashion correct out of collar language length of collar language. fashion, correct cut of collar, lapels, length of coat—this season's being longer and very little cut away. Its superior shape, retaining qualities, too, the best of canvas and haircloth being used in addition to high grade tailor-

Should we have changed from such a good make as Campbell's did we not consider we could offer you the best there was in point of style ond fit? The ample increase in our business this year has more than justified the change. Men who have been wearing good custom made clothing can wear 20th Century garments and feel right in them because they are made of fashionable cloths and the cut, finish and style are so excellent.

progressive concern that manufactures 20th Century Brand garments in January last entered a new six-story factory, 250 feet deep. The increased and for the goods compelled them to add two additional storys in July. We invite you to inspect our Overcoat Stock; assure you of perfect fit-ting, stylish, well constructed coats, and guarantee every one of them.

Prices, \$10 to \$22.
