PURIFIED HIS BLOOD

Dr. Morse's Indian Root Pills Healed Mr. Wilson's Sores

When the sewers of the body—bowels, kidneys and skin ducts—get clogged up, the blood quickly becomes impure and frequently sores break out over the body. The way to heal them, as Mr. Richard Wilson, who lives near London, Ont., found, is to purify the blood. He writes:

"For some time I had been in a low depressed condition. My appetite left me and I soon began to suffer from indigestion. Quite a number of small sores and blotches formed all over my skin. I tried medicine for the blood and used many kinds of ointments, but without satisfactory results. What was wanted was a thorough cleansing of the blood, and I looked about in vain for some medicine that would accomplish this.

At last Dr. Morse's Indian Root Pills were brought to my notice, and they are one of the most wonderful medicines I have ever known. My blood was purified in a very short time, sores healed up, my indigestion vanished. They always have a place in my home and are looked upon as the family remedy."

Dr. Morse's Indian Root Pills cleanse the system thoroughly. Sold by all dealers at 25c a box. 6

WHAT RECIPROCITY MEANS TO THE CANADIAN PEOPLE

(Toronto Globe.)

Reciprocity has now passed at Washington. Whether it becomes law or not rests with the Canadian parliament and people. It is worth recalling the terms of the agreement and pointing out in a general way its meaning to the two countries affected. The bill is a tariff amendment, divided into three schedules, embodying a large free list on natural products, and reduced duties on food products and certain manufactures.

For farmers there will be distinct advantage in free access to the United States market for the following, among other articles, upon which duty is now levied:

Cattle.
Horses and mules.
Swine.
Sheep and lambs.
Poultry.
Wheat.
Rye.
Oats.
Barley.
Beans.
Potatoes.
Corn.
Onions.
Apples.
Pears.
Peaches.
Grapes.
Butter.
Cheese.
Fresh milk.
Fresh Cream.
Eggs.
Hay.
Straw.

Canadian fishermen will be rewarded by free access to the United States market for the following products of the rich waters of the Dominion:

Mackerel.
Herrings.
Halibut.
Salmon.
Cod.
Oysters.
Lobsters.

Canadian lumbermen will gain by the free admission to the United States of the following standard products:

Timber, hewn, sided or squared.
Sawed boards, planks, deals.
Paving posts, railroad ties and poles.
Wooden staves.
Pickets and palings.

The mining man will find better sale for his goods by free access to United States markets for:

Feldspar.
Mica.
Talc.
Salt.
Asbestos.

Consumers on both sides will thank the negotiators of this agreement for reduced duties on many articles now bearing varying taxes, and among them:

Meats, fresh or refrigerated.
Bacon and hams.
Beef and pork, salted.
Canned meats and poultry.
Lard.
Tomatoes and other vegetables.
Wheat flour and oatmeal.
Prepared cereal food.
Bran, middlings and other offals of grain.
Macaroni and Vermicelli.
Biscuits, wafers and cakes.
Canned fruits.
Agricultural implements.
Cutlery.
Paving stones.
Clocks and watches.
Canoes.
Motor vehicles.

Canada is now the third best customer of the United States. Under reciprocity we will sell more to the United States of the things we do not need and which the United States does need; we will buy more of what they have to sell and what we want to buy. We will continue to buy from Great Britain the fabrics and other articles with which she can best supply us. But instead of free access only to the British market for natural products we will have also the increasing demand of the United States.

Laurier and the larger markets is the policy for Canada.

Quick and Permanent Relief from Rheumatism

Rev. Father Morriscy

It is not exposure to cold or wet that is the real cause of rheumatism — it is bad kidneys. So long as the kidneys are doing their work properly, filtering from the blood all the Uric Acid formed there from the waste products of the body, rheumatism cannot exist. It is only when the kidneys fail, and the blood becomes loaded with this Uric Acid, that the slightest exposure stiffens up the joints or muscles and causes agony.

Father Morriscy's No. 7 Tablets

promptly relieve and permanently cure rheumatism by putting the kidneys into perfect shape for their work. Once the strengthened, invigorated kidneys get the Uric Acid cleared out of the blood the rheumatic pains disappear. If they ever show symptoms of returning a few No. 7 Tablets will tone the kidneys up again and keep you free from the dreaded rheumatism.

Father Morriscy's No. 7 Tablets have proved their value in hundreds of cases where other remedies have failed entirely.
