## PHOTOGRAPHY

As a money making business is an assured fact, and as a recreation, has no equal. In the practice of photography you combine pleasure with instruction, which are not combined in other forms of amusement. For ladies and gentlemen during holidays it is just the thing. Previous experience not necessary. A book of complete instructions given with each outfit. You who have no trade or business, get one of the Barnes \$15 Amateur Outfits, and we will instruct you how to become a photographer. A complete outfit only \$15. Price list and descriptive circular on application.

## I CURE FITS!

When I say I cure I do not mean merely to stop them for a time and then have them return again, I mean a radical cure. I have made the disease of FITS, EPILEPSY or FALLING SICKNESS a life-long study. I warrant my remedy to cure the worst cases. Because others have failed is no reason for not now receiving a cure. Send at once for a treatise and a Free Bottle of my infallible remedy. Give EXPRESS and POST-OFFICE.
