GUARD AGAINST LUNG DANGERS

By the Aid of Slocum's Marvellous Treatment for Weak Lungs and Pulmonary Diseases.

TREATMENT FREE.

Nearly everybody you meet will regard it as a kind of insult to be asked if they have weak lungs. All seem to have a solid faith in the soundness of their own breathing machine. In cases of trouble they will admit there is a "heavy cold," a "touch of Bronchitis," or even a "spell of Asthma," but as to weak or unsound lungs—never—NEVER. Even the poor consumptive, who scarcely speaks without coughing whose cheeks are wasted, hollow, and bear the hectic flush of doom, will assure you with glistening eyes that his cold is on the mend, and he will be all right when the weather changes.

Never was there a cure for lung troubles equal to the newly-discovered Dr. Slocum treatment. This forms a system of three remedies that are used simultaneously and supplement each other's curative action. It cures weak lungs, bronchitis, coughs, consumption, and every other ailment of the pulmonary region. It destroys every germ that can affect the respiratory system, and even in advanced stages of lung trouble positively arrests the tubercular growth, while it also builds up the patient so that his system is enabled to throw off all other wasting diseases.

Thousands of cases cured already prove these claims. Thousands of grateful people bless the discovery. If the reader is a consumptive or has lung or throat trouble, general debility or wasting away, do not despair, but send your name, post-office and nearest express office address to the T. A. SLOCUM CHEMICAL CO., Limited, 179 King Street West, Toronto, when three large sample bottles (the Slocum Cure) will be sent you free. Don't delay until it is too late, but send at once for these free samples and be convinced of the efficacy of this great remedy.

Persons in Canada seeing Slocum's free offer in American or English papers will please send to Toronto for free samples. Mention the DELINEATOR.
