PERSONALS

Interfraternity Council Blood Cup

During the week of January 6 - 10 there will be a blood donor clinic in the Central Academic Building. IFC and Red Cross are giving a *Blood Cup* to the fraternity which has the highest percentage of membership donate blood.

There will be a sign-up sheet at the clinic for those who are interested in participating. You may give blood anytime this week at the booth. Results will be tabulated on the basis of the membership lists submitted for the IFC Phonebook.

This is a very simple event which takes only a half hour out of your schedule.

Make sure you eat before giving blood. Of course, donors are not restricted to fraternity members and any student who wishes to give blood is encouraged to do so.

Thank you for your cooperation in this matter. If there are any questions about this event, please contact the IFC office at 432-2107.
