	19-2-45		<p>0800 hours, ceiling and visibility unlimited. Flying washed in at 0830 hours, washed out at 1800 hrs. Total flying time 446:45 hours. Night flying from 1930-0430 hours. Flying time 102:55 hours.</p> <p>Three new courses are now in the process of organization. They are Machine Shop, Sheet Metal and Welding. The classes will run concurrently under their individual instructors with a responsible Senior NCO supervising the whole. As these trades are interdependant in many ways, it is proposed to make one big course out of the three, and have the classes rotate at suitable intervals so that upon completion, a good student will have a sound (if elementary) knowledge of all three trades.</p> <p>A Weaving Group has been formed but as the looms have not yet arrived no active part has been taken by this group as yet.</p>	
	19-2-45		<p>This unit was honoured today with a visit from the AOC of No. 1 Air Command, Air Vice Marshall Raymond, his first since becoming our new AOC. The AVM arrived at 1500 hours by Beechcraft accompanied by Group Captain Fraser and Squadron Officer Sparrow. The visiting party were accomodated on the Station for the night.</p>
