Mr. J. W. Hamilton,
147 Kent St.,
St. Paul, Minn.

Dear Sir:

I have your letter of August 2nd, received on my return from Europe this week. As you say, there are so many business holidays now, but I think your suggestion of getting the children interested in the Century Peace work is very desirable.

I take the liberty of enclosing you herewith the Circular issued by our National Committee on this general subject. There is to be a meeting next week, Friday, in New York, of the Special Committee for securing international organization, which I hope will accomplish some good results. I hope you will keep up your interest in this good work and interest your section of the country, and I suggest if you have not already done so, that you communicate with Mr. John A. Stewart, of New York, who is the Chairman of our Executive Committee, or Mr. Wm. H. Short, Secretary.

Yours very truly,

^{signed}
B. H. Baker.
