Dear Mr. Meighen

Enclosed you will find an Editorial
from today's Herald

Less than a year ago such a suggestion
from me was too "Communist" to publish,
even in the local labor publication.

You may remember telling me that
the Province of Quebec would be the first
to object.

Is the time ripe to propose a Dominion
wide plebiscite?

"Are you in favor of abolishing all
Provincial Governments?"

Yours very truly
Alfred J. Hunt
