

who would gladly allow them
to work for them and they
share in the fruit of their
labor, but occupancy and
working of land in common
is not in the interests of the
individual advancement and
improvement of the Indians and
cannot be allowed.

Page 7. Decrease in the
herd of cattle through the
removal of families of Blue
Smiths Band.

It should be stated where
these families and those of
Little Hunters Band who re-
mained, have gone to.

Pages 9 and 12 re crops
raised on Blue Smiths Reserve

No. 127
