and put in seeds you indians will not
pay for it. But we are going to
have you money. Its why we indians
gave up that land. Today indians did
not get the payment of Hicks island
They indian Agent told the indians they
must pay for the works of that Ploughing
& seeding that H. island. The money is already
in the hands of agent but we didnt get it
yet. It is why all the indians said not to
give this little reserve left. Even husband
nor wife nor son daughter no body shall give
this reserve left. How from on who said
it. The chiefs the polices & consils did
not gather and talk amongst them if its
alright then we give our land. Dont let any
business man come along and ask one stand
ing. indians looking for drink ask him
to you want this place to be liked you
will get more money sure he will say yes
