

## TESTED FORMULAS

### BLISTERING OINTMENT.

Blue Ointment	.....	$\frac{1}{2}$ ounce.
Powdered Cantharides	.....	$\frac{1}{4}$ ounce.
Powdered Gum Euphorbia	....	$\frac{1}{4}$ ounce.
Tincture of Iodine	.....	3 drams.
Turpentine	.....	$\frac{1}{2}$ ounce
Corrosive Sublimate	.....	30 grains.
Arsenic	.....	60 grains.
Croton Oil	.....	30 drops.
Powdered Mustard	.....	$\frac{1}{4}$ ounce.
Armenia Bole	.....	1 dram.
Lard	.....	5 ounces.

Melt Lard and Blue Ointment together, then add other ingredients, stirring with a wooden spatula till cool.

This ointment has been very successful in removing spavins and curbs, and is almost identical with that known as "Briggs'."
