They have forty-five retail meat markets in Brit-

ish Columbia and the Yukon, which are supplied from Calgary.

A large Biscuit Factory is now in course of erection, which will supply the Middle West with a high-class article.

The Educational Capital of Alberta.

Climatically, commercially, educationally, and socially, Calgary stands without a rival in the West. Every religious denomination is represented in Calgary, and maintains commodious and tasteful places of worship. Within the last two and a half years over \$125,000 has been spent on new churches. Educationally, Calgary is well abreast of the times, with its public, normal and high schools, colleges, convent and private schools, where a finished education can be obtained second to none available in cities twice its size in Eastern Canada. There are nine public schools, in which about \$218,000 are invested, and in which 37 teachers are employed. The teachers' monthly pay roll is
