

Thy song, do not fret,  
Men's hearts will forget  
Never, O never;  
For, while the World rolls,  
Its refrain from men's souls  
No time can dis sever.

Flow on, peaceful stream,  
By uplands that dream,  
Where white Aspens quiver!  
*Man's soul and your song*  
To the Ages belong,  
O Red, Red River!
