

(g) <i>Arteries of the Forearm and Hand</i>	123
38. Ligature of the Radial Artery	123
39. Ligature of the Ulnar Artery	123
40. Ligature of the Common Inter- osseous Artery	125
41. Ligature of the Superficial Palmar Arch	125
42. Ligature of the Deep Palmar Arch	127
43. Ligature of the Digital Arteries in the Palm, Collateral Digital Arteries	127
(h) <i>Branches of the Thoracic Aorta</i>	127
44. Ligature of the Intercostal Arteries	127
(i) <i>Branches of the Abdominal Aorta</i>	129
45. Ligature of the Parietal Branches	129
46. Ligature of the Coeliac Axis	130
47. Ligature of the Coronary Artery	130
48. Ligature of the Splenic Artery	130
49. Provisional and Permanent Ligature of the Arteries of the Stomach, Pancreas, and Duodenum	130
50. Ligature of the Superior Mesen- teric Artery	131
51. Ligature of the Inferior Mesen- teric Artery	131
52. Ligature of the Renal Artery	131
53. Ligature of the Internal Spermatic Arteries	132
(k) <i>Common Iliac Artery and its Branches</i>	132
54. Ligature of the Common Iliac Artery	132
(l) <i>Hypogastric Artery and its Branches</i>	131
55. Ligature of the Internal Iliac Artery	134
56. Ligature of the Superior Vesical Artery	134
57. Ligature of the Ilio-lumbar Artery	134
58. Ligature of the Obturator Artery	134
59. Ligature of the Lateral Sacral Artery	136
60. Ligature of the Gluteal Artery	136
61. Ligature of the Sciatic Artery	136
62. Ligature of the Inferior Vesical Artery	136
63. Ligature of the Artery to the Vas Deferens	136
64. Ligature of the Middle Hemor- rhoidal Artery	136
65. Ligature of the Uterine Artery	137
66. Ligature of the Internal Pudic Artery	139
(m) <i>External Iliac Artery and its Branches</i>	139
67. Ligature of the External Iliac Artery	139
68. Ligature of the Deep Epigastric Artery	139
69. Ligature of the Deep Circumflex Iliac Artery	141
70. Ligature of the Femoral Artery	143
71. Ligature of the Internal Circum- flex Artery	146
72. Ligature of the Profunda Femoris Artery	146
73. Ligature of the External Circum- flex Artery	146
74. Ligature of the Perforating Arteries	148
75. Ligature of the Anastomotica Magna Artery	148
(n) <i>Popliteal Artery and its Branches</i>	148
76. Ligature of the Popliteal Artery	148
77. Ligature of the Anterior Tibial Artery	148
78. Ligature of the Posterior Tibial Artery	151
79. Ligature of the Peroneal Artery	155
(o) <i>Arteries of the Foot</i>	155
80. Ligature of the Dorsalis Pedis Artery	155
81. Ligature of the Plantar Arteries	155
C. SURGERY OF THE VENOUS SYSTEM	159
(a) <i>General Indications for the Exposure and Ligature of the Larger Veins</i>	159
