

The Wonderful **GILSON**

The Lightest Running Blower Cutter Made.

"Everyone Said We Couldn't Do It"

Writes J. Geldner, of Kitchener, Ont. He further adds: "We filled and re-filled a 12-ft. x 40-ft. silo in 16 1/2 hours with a 6 h.p. Gilson and an N-43 Gilson Cutter. The outfit also made a record in cutting straw, at the rate of five loads an hour."

"Surprised the Whole Community"

Writes J. K. McLennan of Dalkeith, Ont. "With our 0-10 Gilson Cutter and 4 h.p. Gilson Engine we filled and re-filled three silos, sizes 14 ft. x 25 ft., 12 ft. x 28 ft. and 13 ft. x 28 ft. in six days."

GILSON SILO FILLERS

The Gilson Silo Filler is built for many years of service. It is made entirely of iron and steel, excepting the feed table. All five main bearings are a part of the one-piece semi-steel frame, insuring perfect alignment of the wheel and knife for all time. The power is applied direct to the cutting wheel, no chains.

The patented safety reverse makes accidents practically impossible. The drum is made of steel, not dangerous cast-iron. The wheel is indestructible, steel bound, with no breakable parts such as spokes or bosses. It runs at slow speed—600 to 800 r.p.m.

Write for free silo filler book. It tells the Gilson story from start to finish, points out the advantages of the design, and describes the all-metal construction in such a way that you will understand why our machine cuts and elevates to UNUSUAL HEIGHTS at SLOW SPEED with LIGHT POWER. This is a matter of dollars and cents to you. Send for your copy of this book to-day, learn all about the "WONDERFUL GILSON" line of silo fillers.

Beware of Imitations and Infringements.

GILSON

"Goes Like Sixty"

This Engine Will Cost You Nothing

You need an engine—get a Gilson on our new, easy-payment plan, and it will pay for itself. You have the work for it to do this Fall and Winter, help is scarce and high-priced—save yourself a lot of worry and enjoy that "feeling of security" which is such a definite part of the staunch, reliable Gilson Engine.

Gilson Engines have long enjoyed an indisputable reputation for dependability, power, simplicity and economy. This year finds us with an even more attractive proposition for the discriminating buyer. Prices of everything you have been buying have been soaring, but, by careful management, we are able to furnish Gilson Engines at remarkably low prices. Write to-day for catalogue, price, and easy-payment plan, stating what size you are interested in.
