A NEW TEST FOR FENCES. One of our travelling men has invented a new test for wire fences. He weighs but 176 pounds, so he tries crawling through the fence to be tested. If he can crawl through anywhere without difficulty, he thinks hogs and sheep can too. He can't get through the Page, but he has gone through every smooth wire fence which is sold as cheap as the Page. He has offered to give a roll of fence to anyone who has a cheaper fence that he cannot get through, but he has no takers. The Page has cross wires every foot, and eleven horizontal wires of the strongest wire. Send for particulars and illustrated monthly paper, FREE.

Successful Farmers Use FREEMAN'S High Grade Bone Fertilizers

They produce large crops of wheat of superior quality. Try our Fertilizer for FALL WHEAT, which is especially manufactured for that class of crops. Terms easy. Prices low.

Having used your Sure Growth Fertilizer for the past three seasons, it is with pleasure I recommend its use to others. I commenced with one ton the first season, and two years ago purchased from you two tons, and last season two and one-half tons. Always use it on fall wheat at the rate of about 300 pounds per acre, and am fully convinced I had at least one-third larger yield and finer sample than where no Fertilizer was used. Thanking you for your prompt delivery, I remain, (Signed) RICHARD SELDON, Township Clerk, North Oxford. 15-y-o THE W. A. FREEMAN CO., Ltd., HAMILTON, ONT.
