Dear Sirs,—I send \$2 for another bottle of Lump Jaw Cure. I have cured the worst case I ever saw. Both jaws were bad. One had proud flesh protruding as big as a child's head. I punctured the jaw in several places, and put the medicine in, and am glad to say it cured the steer. He was not worth a dollar before we got your medicine for Lump Jaw. Such medicine cannot be praised too highly. Yours respectfully, W. F. BUCHHOLZ.

The Modern Way to Destroy Sheep Ticks is By the Use of
INSTANT LOUSE KILLER

WHEN you shear your sheep, dust the lambs with **INSTANT LOUSE KILLER.** It's a powder which the sun cannot readily evaporate. That's why one application is all that is necessary. It sticks in the wool and kills the ticks that hatch after the first application.

For these reasons it is better and cheaper than a dip; besides, there is no slop, no muss, no danger.

A BUSINESS EDUCATION IS NECESSARY ON THE FARM.

Mr. Daniel A. Campbell, of Port Elgin, Ont., says: "I could not have got along without it, and would not now part with the knowledge obtained for any amount of money. I find it just as useful to me on the farm as it was in business. When your business principles are applied to farming, it pays as well as any business, and is more independent. Every young man who wishes to succeed in any calling should have a business education, and the **NORTHERN BUSINESS COLLEGE** is, I believe, the best place in Canada to get it."
