LAND OFFICE. WINNIPEG, MAN.

Proof Against: Lightning.

Tested by the big elevators of the Northwest, which are ex-posed to the full force of electric

Eastlake Shingles

GALVANIZED OR PAINTED,

give absolute satisfaction and perfect protection from lightning.

If you use them on all farm buildings, you will have the same security.

They are moderate in price, easy to apply, and very longlasting.

PUBLISHED TWICE A MONTH, AT LONDON AND WINNIPEG, CAN.

Makers of these articles, in many instances, de not pay the necessary attention to the quality of the Salt they use. Some people think that "Salt is Salt," and it does not matter where it comes from or who makes it. This is a great mistake, for it is essential that to produce the best Butter or Cheese nothing but the purest Salt should be used.
