Send Your Watch Here.

If we could take you into our work-room
and show you the infinite care with which
every watch is handled you would realize
why we urge you to send your watch here
for repairs. Our watchmakers have made
a life study of watches. They work upon
nothing but watches. Your watch will
have careful and prompt treatment if sent
to us. A post card brings a strong wooden
mailing box. We will report cost of work
before mailing.
