ASK YOUR BANKER ABOUT IT

If you are in business and doubt the value of Life Insurance to your business, ask your banker about it. Ask him how you can most effectively increase your credit power.

The banker will tell you that life insurance protection always means credit protection; that the increase of such protection will increase your borrowing ability, because it is the best guaranty to your estate, and is a safeguard to your business—indicating your clear-headed foresight, and removing all doubts as to the future.

As a close associate with the credit of any business man, Life Insurance is one of the outstanding features of the business world to-day. In these uncertain war times it behooves every business man to protect and fortify his credit in every way possible, and THE CONTINENTAL LIFE INSURANCE COMPANY'S policies are specially designed to supply this immediate need.

Heed this warning by seeing your nearest Agent of the Company, or write to either of the undersigned at Head Office for full particulars, stating your age at nearest birthday.
